Message

Assistant Manager

In our relentless pursuit of excellence, the pages of the BMCian Chronicle unfold a narrative of the endeavors and accomplishments of the vibrant Bharata Mata family, perfectly aligned with our strategic plans. In the backdrop of today's dynamic and intricate society, we encounter a myriad of challenges and opportunities. Armed with the right attitude and a genuine education, every individual on their path of growth can surmount challenges and seize the opportunities that unfold. Bharata Mata, with its rich tapestry of learning, offers abundant avenues to explore and attain higher levels of knowledge and education.

It is crucial to reiterate that the true essence of education lies in shaping character, enhancing the strength of the mind, expanding intellect, and empowering individuals holistically. I extend my heartfelt appreciation to each contributor whose dedicated efforts have rendered the months of August and September both fruitful and meritorious, marked by spirited activities and notable achievements. Let us persist in our journey with joy and unwavering commitment in service to our society, driven by a sense of duty to God and Country. Together, let's continue scripting a narrative of success and contributing positively to the world around us.

Congratulations

RESEARCH & POSTGRADUATE DEPARTMENT OF ENGLISH

The postgraduate department of English is upgraded to an approved research centre in English under the Mahatma Gandhi University on 02/10/2023. Dr. Mini M. Abraham, who was earlier a research guide registered with S.H. College, Thevara transferred her guidship to BMC and Dr. Thara Gangadharan- the current HoD- has been assigned guidship. Dr. Mini's areas of research interest include English Language Teaching, Indian Writing, Algorithmic Governance, AI, and Cultural Studies. Dr. Thara is a scholar in the fields of Media Studies, Postcolonialism and Cultural Studies. The department has a legacy of hosting an international/ national conference every year with keynote speakers from across the world and a pan-Indian participation. In addition, the department has been organising distinguished lecture series and research methodology workshops for young scholars. The department works in collaboration with a number of research institutions for various activities. With the upgradation into a research centre, the department aspires to achieve higher realms of critical investigation and scholarship in interdisciplinary humanities.

"AGNEYAM" - 2023 - MSW Vidyarambham Ceremony

Social work is a profession rooted in practical application, dedicated to facilitating social change, development, community cohesion, and the empowerment of individuals and communities. On the 5th of September 2023, Bharata Mata School of Social Work hosted "Vidyarambham – Agneyam - 23," a pivotal event marking the official commencement of the academic year for the 2023-2025 batch. The event was graced by the presence of Rev. Dr. Abraham Oliapurath, the Manager of Bharata Mata College, and Dr. Saju M D, Principal of Rajagiri College of Social Sciences, Kalamaserry, Kochi, who served as the Chief Guest. The event garnered active participation from the first-year MSW students and their parents, under the capable leadership of Dr. Elsa Mary Jacob, the faculty coordinator, and second-year MSW trainees, led by student sub-coordinators Abinya T B and Parvathy S.

On Tuesday, the 5th of September 2023, the MSW department of Bharata Mata College hosted the official Vidyarambham Ceremony, aptly named "Agneyam." The Chief Guest, along with the Manager, Assistant Director, teachers, students, and parents, was warmly welcomed as they entered the AV hall, where the program had been thoughtfully arranged. The ceremony commenced at 10:45 AM with a solemn prayer. Dr. Sheena Rajan Philip, the Head of the Social Work Department, delivered the welcome speech, where she highlighted the significance of the Social Work Profession and extended Teacher's Day wishes to the Chief Guest and all attendees.

Subsequently, Rev. Dr. Abraham Oliapurath, the Manager of Bharata Mata College, delivered the Presidential address. He conveyed his best wishes to the students for their personal development and growth in the field of social work. Trainee Bineesha introduced the Chief Guest, Rev. Dr. Saju MD CMI, an Assistant Professor in Social Work and the Principal of Rajagiri College of Social Sciences. Dr. Saju elaborated on the core tenets of social work, emphasizing the 3 D's – Devotion, Discernment, and Determination – which are integral qualities for a social worker. He also shed light on the practical relevance of theory in social work, drawing from his own extensive experience in the field. This encompassed discussions on goals, stages, creating societal impact through action, standard operating procedures, the importance of scientific structural knowledge in social work, and the critical role of social work research.

The official ceremony was further marked by the ceremonial lighting of the lamp and the unveiling of the BVOIC logo by the Chief Guest, Rev. Dr. Saju, and the Manager, Rev. Dr. Abraham Oliapurath. Trainee Angel Feba John introduced BVOIC, elaborating on its vision and mission. To symbolize the commencement of a new journey, Assistant Professor Dr. Reshma K S led the attendees in reciting the pledge of social work, with all present participants joining in. The event proceeded with the recognition of students who achieved high academic performance during the years 2020-2022, introduced by the Assistant Director, Fr. Jimmichan Karthanam. Ms. Anitha Mary Jesudas and Mr. Goodwin Jose were felicitated by the Chief Guest for their outstanding achievements. The official ceremony concluded with Assistant Professor Dr. Reshma K S delivering the vote of thanks. The program ended with everyone standing for the National Anthem, concluding at 12:02 PM.

"INITIUM 2023"- BMIM Vidyarambham Ceremony

The Vidyarambham ceremony, marking the commencement of the academic year 2023–2025 (19th batch) with the theme "INITIUM 2023," was meticulously orchestrated at BMIM on August 17, 2023, Thursday. The event unfolded with the ceremonial lighting of the Chirag by the new members of BMIM, followed by Rangapooja. To symbolize the surrender of all endeavors to the divine, readings were recited from the Bhagavad Gita, the Holy Bible, and the Holy Quran. Dona and her team led a heartfelt prayer.

Dr. Bejoy Joseph, Associate Professor, set the tone with a warm welcome address. The inauguration and inaugural address were delivered by the esteemed guest of honor, Prof. Dr. P. G. Sankaran, Vice-Chancellor of Cochin University of Science and Technology, CUSAT. He encouraged students to set lofty goals, fostering a broad vision for themselves and the world. The guest of honor was honored with a Memento by our manager, Rev. Fr. Dr. Abraham Oliapurath.

BHARATA MATA INSTITUTE OF MANAGEMENT
The Management, Staff & Students of Bharata Mata Institute of Management (BMIM) cordially invite you to the initiation ceremony of our 19th Batch of MBA programme.

INITIUM 2023

On Thursday, 17th August 2023
Venue: BMIM Auditorium; Time : 09.30 am

Guest of Honour
Prof. (Dr) P. G. Sankaran
Vice-Chancellor, Cochin University of Science & Technology

Fr. Dr. Abraham Oliapurath
Managing Director, BMIM

Fr. Jimmichan Korthisnam
Asst. Manager, BMC

Dr. K M Johnson
Principal, BMC

Prof. (Dr.) B. Hareendran
Academic Director, BMIM

Kindly Grace us with Your Honorable Presence.

Nurturing Global Leaders With Indian Ethos

Following this, Rev. Fr. Dr. Abraham Oliyapurath presented the presidential address, reminding everyone of the institution's motto, vision, and mission. He stressed the importance of students cultivating a steadfast, long-term focus on their goals. Felicitations were offered by Dr. K. M. Johnson (Principal), Fr. Jimmichan Karthanam (Assistant Director), and Prof. Dr. B. Hareendran (Academic Director). They underscored the need for students to explore both academic and non-academic opportunities fully. Prof. Rajmohan Kadavil expressed gratitude in the vote of thanks. Subsequently, an orientation session for parents and students took place in the auditorium.

REGALIA 2023

GRADUATION DAY

The grandeur of Bharata Mata Institute of Management's (BMIM) graduation ceremony on September 16, 2023, for the 16th and 17th MBA batches was truly remarkable. Held in the distinguished MBA Auditorium from 11 am to 1.30 pm, the event exuded a sense of formality and eager anticipation. The ceremony commenced with a touch of divine grace as Rev. Fr. Dr. Abraham Oliapurath, BMIM's Managing Director, imparted blessings upon the course completion certificates. The proceedings took on a ceremonial tone with a dignified procession, featuring the Guest of Honour, esteemed dignitaries, and faculty members bedecked in graduation regalia, making a regal entrance.

As the procession gracefully traversed the auditorium, a hushed respect fell over the audience, standing in acknowledgment until each member found their designated place on the dias. Reverend Fr. Dr. Abraham Oliapurath, as the event's President, inaugurated the proceedings with an invocation, followed by a presidential address that formally declared the Graduation ceremony open. The pivotal moment of the Graduation Address was entrusted to Dr. Sreejith C. M., the Controller of Examinations at M. G. University, who graced the occasion as the Guest of Honour. Rev. Fr. Jimmichan Karthanam expressed gratitude by honoring him with a memento, recognizing his substantial contribution to the success of the ceremony.

Following this, Prof. Dr. B Hareendran, the Academic Director, took center stage to present the candidates for the certificate reception. The administration of the pledge, authorization, and signing of the record of course completion by the Principal added a ceremonial touch, symbolizing the official culmination of the academic journey.

A noteworthy highlight of the ceremony was the announcement of the recipient of the Joseph Cardinal Parecattil Excellence Award for the year 2022. Mr. Bibin Varghese was bestowed with this prestigious award by Dr. Sreejith C. M., Guest of Honour.

Dr. Johnson K M, the esteemed Principal of Bharata Mata College (BMC), delivered a distinguished address during the graduation ceremony. He extended hearty congratulations to the MBA graduates, praising their diligent efforts and unwavering dedication. Rev. Fr. Jimmichan Karthanam, the respected Assistant Director, added his own touch of honor and encouragement to the assembly. With a sincere and supportive demeanor, he acknowledged the accomplishments of the graduating students, recognizing the milestones of their academic journey. Rev. Fr. Jimmichan Karthanam's felicitation infused an additional layer of warmth into the ceremony, creating a moment where the graduates felt genuinely valued and motivated as they embarked on the next chapter of their lives.

Prof. Dr. B Hareendran, in his capacity as the Academic Director, extended heartfelt thanks to the gathering. Academic Director highlighted the significance of the occasion and encouraged the graduates to approach the future with confidence. The elaborate program came to a close by 1.30 pm. The entire event served as a fitting tribute to the academic accomplishments and successes of the graduating MBA batches. The ceremony gracefully concluded with the President leading the dissolution, prompting the audience to rise for the National Anthem. The dignitaries then exited in procession, and the jubilant spirit continued with a photo session and a well-deserved lunch.

INAUGURATION

MEMORANDUM OF UNDERSTANDING

MOU SIGNED WITH RADIO MANGO

Principal, Dr. Johnson K M, on behalf of Radio BMC signed an MOU with Radio Mango on 9 October 2023. As the MOU, the students of BMC will be trained by a team of experts from Radio Mango, and classes will be provided for the students bi-monthly. The sessions are related to radio and broadcasting. As per the agreement it is mentioned that at the end of the program, there will be a recording by the students, and the content if approved by the college and radio mango will be aired at the 91.9 station.

Radio Mango, Network Multimedia, F-20, 2nd Floor, Kalamati Nagar, Kollamkudimugal Road, Thrikkakara, Edappally, Kochi, Kerala 682021, India. Ph: 0484-2829113, www.radiomango.in

This Memorandum of Understanding is witnessed on this the 9th day of October 2023 between

The Malayala Manorama Co Private Limited, having its registered office at P.O.No.26, Manorama Building, KX Road, Hinthayam and having unit at Manorama Building, Panampilly Nagar, Kochi, duly represented by its Chief General Manager, Edwin Vinodh James, (hereinafter referred to as 'MMCL') which expression unless repugnant to the context or meaning thereof shall include its successors, subsidiary group companies and assigns, of the First Part.

And Bharata Mata college represented by its Principal, Dr Johnson K M (hereinafter referred to as 'College') which expression unless repugnant to the context or meaning thereof shall include its successors, subsidiary group companies and assigns, of the Second Part.

Wheras MMCL is engaged in Printing and Publishing of News Magazine and articles, broadcasting of institutional programmes through radio medium amongst which Radio Mango is the radio media in and owned, managed and managed by MMCL.

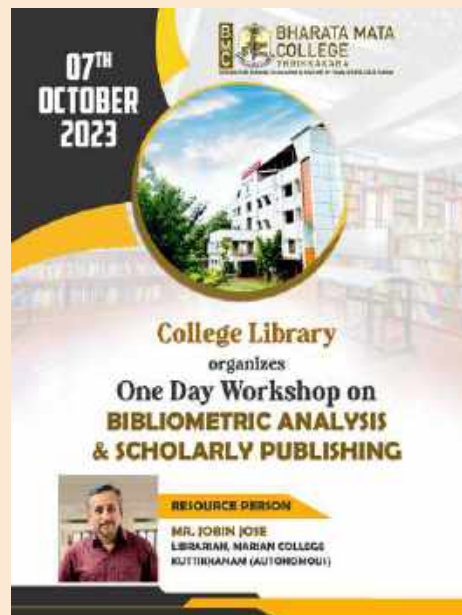

And Whereas the College is a higher education institution affiliated to Mahatma Gandhi University with various educational courses short term, long term, affiliated courses, autonomous study programmes within and without the campus including, but not limited to specialised courses in

Bibliometric Analysis and Scholarly Publishing

The Library, Bharata Mata College organized a One-Day Workshop on Bibliometric Analysis on 07th October 2023 at Audio Visual Room from 9.30 a.m. to 4.00 p.m.

Ms.Jaisha V.J. welcomed the Keynote Speaker of the day Mr.Jobin Jose, Librarian, Marian College Kuttikkanam (Autonomous), and Principal of Bharata Mata College and all participants.

Dr.Johnson K.M., Principal inaugurated the programme and he conveyed that Bibliometrics is the basic quantitative analysis of the published scientific literature, so it is significant in every research and in the information explosion era. Bibliometrics is helpful in finding the current trends of one's research area is important and understanding all such metrics like scientometrics, webometrics, infometrics and altmetrics are essential, he added.

Mr. Jobin Jose has more than 20 years of service as a librarian and several workshops related to scholarly publishing are conducting in collaboration with various academic libraries in Kerala.

The topics discussed under academic publishing were predatory publishing, fake and cloned journals identifying, Journal Rankings, UGC Care list, Indexing and abstracting databases. Then hands on training on the installation of VOS Viewer and Biblioshiny software for bibliometric analysis and orientation on how the analysis is performed.

A total of 20 participants- Librarians, Faculties and Research Scholars from various colleges in Kerala were actively participated.

The workshop ended at 4.00 p.m. with a vote of thanks by Ms. Greety Toms, Librarian, Bharata Mata College.

Chemistry Association Inauguration

Number of Participants 109

Chemistry

Date :22/08/2023

The Chemistry Association Inauguration for the academic year 2023-2024 took place on August 22, 2023, at the MSW Hall of Bharata Mata College, Thrikkakara. The event commenced at 10:30 AM and saw enthusiastic participation from both students and teachers. The inauguration was graced by Binshad M.S., Assistant Professor of Forensic Science at the Centre for Integrated Studies, CUSAT.

The program commenced with a soulful rendition of prayer song performed by Swetha and Devika which was followed by the welcoming address by Seniya, a second-year DC Chemistry student and the Association Secretary. Dr. Sindhu Joseph, the Head of the Department (HOD) of Chemistry, took the stage next to deliver an address. She encouraged students to actively engage in the association's activities to enhance their understanding and passion for the subject.

One of the highlights of the event was the presentation on "STAR DBT Programs" by Dr. Anu George. Dr. Anu George shared insights into the various Department of Biotechnology (DBT) initiatives and listed the programs planned by the department, aimed at fostering research and innovation in the field of chemistry. The principal of the college, Dr. K.M. Johnson commended the efforts of the Chemistry Association in promoting academic excellence and encouraged students to explore the intersections of chemistry with other disciplines.

The focus of the inauguration was the talk by Binshad M.S., who captivated the audience with his expertise in forensic science. His presentation titled "Forensic Insights: Decoding Mysteries through Scientific Investigation" delved into the intriguing world of forensic science. He highlighted how scientific investigation plays a crucial role in solving mysteries and uncovering truths in criminal cases. He also talked about the colleges and

universities that offer the courses in Forensic science and also the possible job opportunity for the students who pursue forensic science. He inspired the students to explore the intersections of chemistry and forensic science further.

Hamid, the Association Secretary, extended his gratitude to all the attendees and participants for their presence and support. His vote of thanks acknowledged the efforts of everyone who contributed to the success of the event, from the organizers to the participants.

The Chemistry Association Inauguration on August 22, 2023, marked the beginning of a promising academic year filled with insightful activities, engaging talks, and meaningful discussions. The Chemistry Association, under the guidance of its dedicated members and advisors, aims to continue promoting the spirit of scientific inquiry and exploration throughout the academic year.

How to pursue Chemistry in Germany: Procedures and Possibilities

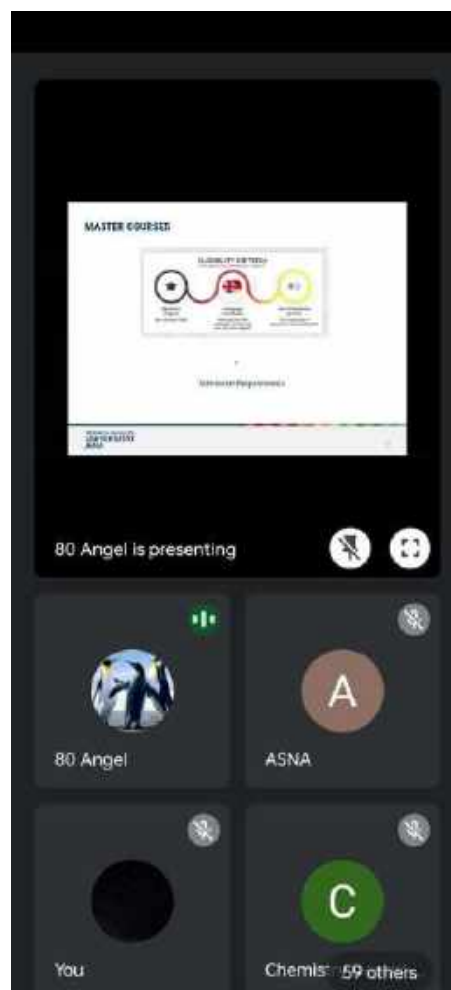

Number of Participants 69

On September 1, 2023, at 11:30 AM, an online talk titled "How to Pursue Chemistry in Germany - Procedures and Possibilities" was conducted by the Department of Chemistry, Bharata Mata College featuring Angel Sabu as the speaker. Angel Sabu, an alumna of the Department of Chemistry at Bharata Mata College, Thrikkakara, from the 1997-2000 batch, is currently pursuing her Master's degree in Materials Chemistry at Friedrich Schiller University, Jena, Germany. The online event was organized by the II B.Sc students as part of the association programmes and it provided a valuable platform for students interested in pursuing chemistry abroad, particularly in Germany. The session started with a prayer song by Swetha, II B.Sc student and welcome speech by Sahala.

In her presentation, Angel Sabu meticulously listed all the essential documents required for a successful application, ensuring that students are well-prepared when

applying to German universities. Angel shared valuable insights on how to prepare a compelling Statement of Purpose (SOP), to showcase one's strengths and alignment with the chosen program. Angel provided insights into language proficiency requirements and the importance of language courses for a smooth transition to academic life in Germany. Practical advice on accommodation options, cultural adaptation, and support systems available to students was also shared. Angel Sabu also discussed the importance of securing appropriate health coverage while studying in Germany. She provided insights into various health insurance options available to students. Angel Sabu highlighted the research possibilities and career prospects that await chemistry graduates in Germany, shedding light on the nation's thriving academic and industrial landscape. After her presentation, students interacted with her and clarified their doubts.

The event concluded with a vote of thanks by Dr. Litty Sebastian, a faculty member. Dr. Litty Sebastian expressed deep gratitude to Angel Sabu for her informative presentation and shared insights.. Angel Sabu's talk provided aspiring chemistry students with valuable guidance and a vision for pursuing their academic and career goals in Germany.

Mathematics

Date: 23/06/2023

The Department of Mathematics, Bharata Mata College, Thrikakara, celebrated the

17th National Statistics Day on 23rd June 2023 with a talk on “The Transformation Journey of Statistics Towards AI”. The day was observed with the intention of stressing the importance of Statistics in today's scenario and create awareness among students about its various applications in Artificial Intelligence. The session was handled by Dr. Bindu Krishnan, Senior Statistician, Data & AI, IBM India Software Labs, Kochi, Kerala. It was attended by second and third year BSc mathematics students, second Year MSc students from Mathematics Department and Computer Science department. The program began with a welcome note by Dr.Lakshmi C, Head of the Department, Dept.of Mathematics. Dr.Vinitha Xavier K gave a brief introduction about the resource person. Dr. Johnson K.M, Principal spoke about the scope of statistics in our daily life.

Dr. Bindu spoke gave a brief outline about Data Science, Data Analytics and their scope in the present scenario. She also interacted with the students and clarified their doubts regarding a career in this field.

The program concluded at 1pm with vote of thanks by Ms. Meera Joseph, second year MSc Mathematics student.

Zoology

Date: 14/08/2023

Zoology Association Inauguration for the academic year 2023-24 was held on 14th August 2023 in MSW Seminar Hall at 10.00am. The event started with a prayer song by Sr. Tintu Santhosh followed by a welcome speech by Dr. Sherin Antony- Staff coordinator of Zoology association. College Principal, Dr. Johnson K.M delivered the presidential address. Sir, talked about student's role in being the foundation in leading the Country and Country's effort and cost in graduating us. Sir inspired the students to grow where they have been planted. To flourish, despite the circumstances that life puts you in and to accept the values within us and to acknowledge the failures in order to be successful in life.

After the presidential address, the lamp lighting ceremony was held. It was followed by an invited talk entitled "Career prospects for life Science Graduates" by Dr. Kiran Kumar -The Director of Research world. He took an in-depth approach in explaining tremendous career prospects for life science graduates. Sir introduced different routes for post-graduation science studies and related institutions and the smart ways to crack entrance exams at national level. While ending his talk, he spoke about how one should love and value themselves to go further in life. Soon after the invited talk, Dr. Kiran Kumar interacted with students. The session was highly inspirational to zoology students as they were not guided well while choosing pure science subject for their graduation. The vote of thanks was rendered by Dr. Sonia John.

After a small refreshment break , the cultural programmes was started at 12.00 pm. It started with a song followed by dance performance by 1st , 2nd and 3rd DC students along with various other games. The event concluded by 1.45 pm.

International Day Against Drug Abuse and Illicit Trafficking

Number of Participants 30

MSW

Date: 26/06/2023

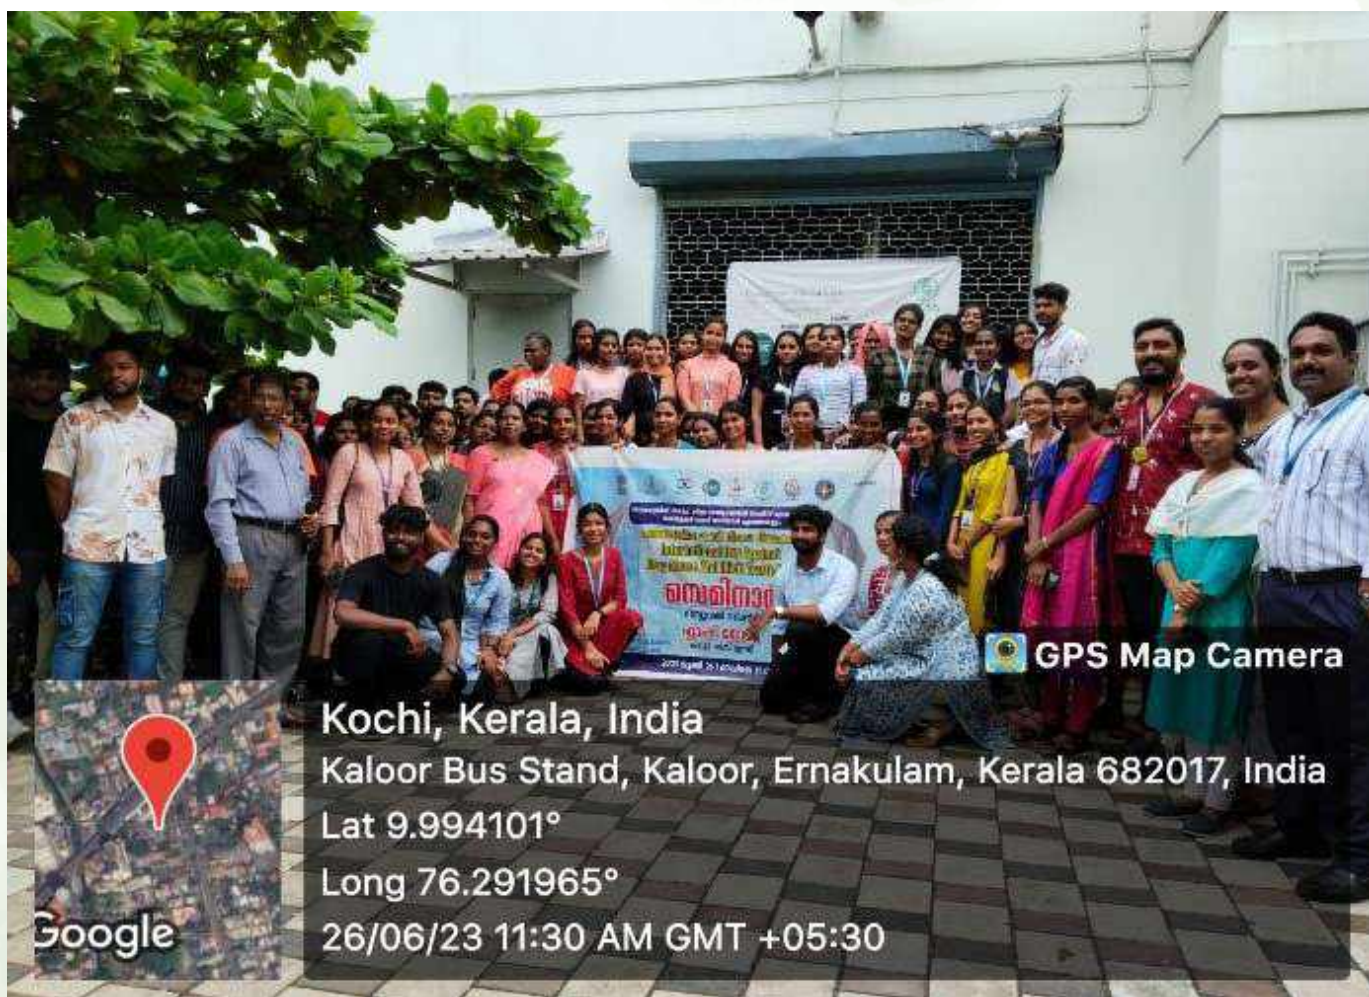

Activities conducted by the MSW trainees of Bharata Mata School of Social Work (BMSSW) as a part of the International Day Against Drug Abuse and Illicit Trafficking in collaborating with social work department of Kerala govt and the 'Nashamukth Bharat Abhiyan' campaign. The primary event organized by BMSSW was a street play performed by the trainees, highlighting the importance of combating drug abuse and illicit trafficking. This report covers the trainees' activities from their arrival at Kaloor Stand to their participation in a seminar class at Kaloor Renewal Centre.

First year social work trainees of Bharata Mata school of social work, performed street play as a part of international day against drug Abuse and illicit trafficking on 26th January 2023 in Kaloor bus stand. The social work trainees reached Kaloor bus stand by 10:30 am. They organized themselves and prepared for the street play performance. The street play commenced at 10:45 am near Kaloor Bus stand. The trainees showcased their acting skills and delivered a powerful message against drug abuse and illicit trafficking. The street play aimed to raise awareness among the public about the consequences of drug addiction and the need for collective action. Following the street play, the trainees from Rajagiri College of Social Work performed a flash mob at the same location. The flash

mob added an element of entertainment and engagement, capturing the attention of the onlookers and reinforcing the anti-drug message.

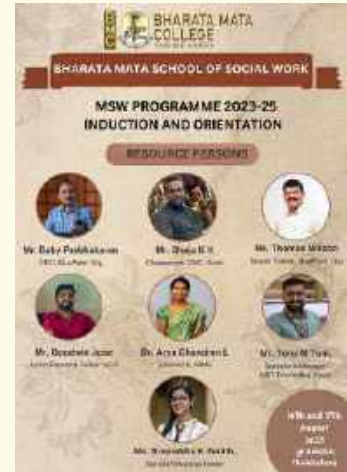

Upon reaching the Kaloor Renewal Centre, the trainees participated in a seminar class. Experts in the field delivered informative presentations, highlighting the various aspects of drug abuse and illicit trafficking. Firstly Mr shibin Shaji Varghese, speaks to the trainees about, how should be the concern of a social work trainees towards society in drug Abuse. He also discussed about the theme of the program ' People first : Stop stigma and discrimination, strengthen prevention '. Following Dr. Aneesh K.R, Asst Professor of Rajagiri College of Social Science presented a power point presentation about what is drug, consequences and effect. Mr. Francis Muthedan, Project Director MMM, IRCA and District Coordinator of Nashamukth Bharat Abhiyan, showed a video to the trainees about the life journey of a drug addict and also explained about 10 important points that should keep in our life. Trainees actively engaged in the seminar, asking questions and discussing strategies for prevention and intervention. The program ended with a vote of thanks by Ms. Sabeena, district probation officer Ernakulam.

MSW

Date: 18/08/2023

Report An organizational visit typically involves a group or individual touring a company or institution to gain insights into its operations, culture, and overall functioning. The Social work trainees visited the district probation office, KRIPA - Kerala Rehabilitation Institute for the Physically Affected, and Welfare Services Ernakulam respectively. The visits offered a unique opportunity to witness the dedicated efforts of organizations in promoting social functioning and addressing various social challenges. Each of these organizations provides a distinctive role in society from rehabilitation and crime prevention to uplifting the physically challenged. The visits provided social work trainees with an opportunity to observe organization functions, interact with the staff, and potentially establish connections through learning.

MSW

Date : 09/08/2023 -
10/08/2023

A Life skill workshop was conducted at Bharata Mata School of Social Work on 9 th August 2023. The program was facilitated by Mr Baby and Mr Thomas, Blue point Organization. Whole session was carried out in a participatory method that helped the trainees to identify their own skills and a practical application of the learned life skills.

The session started at 9:30 am. Dr Elsa Mary Jacob had welcomed the guests. Followed by that, Baby sir addressed the trainees and introduced himself and the Bluepoint organization, an NGO mainly focusing on the implementation of KAVAL Project. Thomas sir then interacted with the trainees and started the workshop with an ice breaking session.

53

BMCian Chronicle
BHARATA MATA COLLEGE THRIKKAKARA

During the Ice breaking session, trainees were divided into two teams and played clap game in which one group is titled odd numbers and other as even, and when facilitator gives a number, the group has to respond via clap according to the number category sharply and clearly. Through this game, it helped the trainees to get more involved in the session and get to know the importance of concentration.

Time management is an important skill which one has to acquire as it is essential in all spheres of life. A game was given to the trainees in which all have to stand up and and can sit when two minutes is over; they were not allowed to access watch to know the time. All the trainees engaged and Milan and Afrin has got the appreciation as they sat down on the accurate time. This game helped the trainees the trainees to understand the importance of time and concentration.

Next, a zoo game was conducted in which three trainees had themselves opted the names of three animals. They were Goat, Lion and Dog. The game was interesting as trainees has to shuffle from the places they sat to the other when an animal's name is called out. This focused the trainees to come out from their comfort zones and to interact with all. On the basis of that trainees were divided into three group on the animal's name; they are Pinky, Kingdom and Arjun respectively. This group was maintained all throughout the session in all group activities.

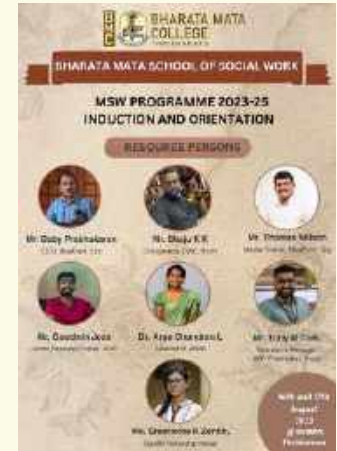

Followed by that, a self-introducing session in which two trainees were bought together and they had given time to know each other on the basis of family and ambitions. Trainees then have to introduce their friend and other has to do the same, this helped in building an understanding between the two trainees. Maintaining the same group of two members. One member has to fist their right wrist and other member has to open it. Most of the members were unable to open and this activity gave the insight that it is important to give space

Physics

Date: 07/09/2023

The formal inauguration of the Physics Association 2023, 'INIZIO'23,' at Bharata Mata College was held on September 7, 2023, at 11:00 am by the Research and Postgraduate Department of Physics. The program commenced with a prayer seeking the blessings of Almighty God.

Dr. Shibi Thomas, Professor and Head of the Department, delivered the welcome address. Dr. Johnson K. M., Principal of Bharata Mata College, Thrikkakara, gave the presidential address to the gathering. Prof. C. Sudarsanakumar, Senior Professor at MG University, graced the occasion as our Chief Guest. Neha M., a student of 2nd BSc Physics Model I, introduced our Chief Guest briefly and welcomed him for his inaugural address. This was followed by the ceremonial lighting of the lamp by the dignitaries, officially inaugurating the Physics Association.

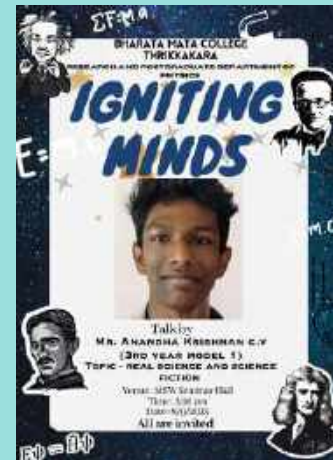

During his speech, Prof. C. Sudarsanakumar emphasized the importance of physics in our daily lives. His invited talk centered around X-ray Crystallography - the Gateway to Modern Science. He shared the captivating story of the discovery of X-rays and their applications, making the subject matter engaging and informative. Ms. Fidha Fathima, a student from 3rd Year Model I and our Association President, addressed the gathering. The event saw a significant turnout, with nearly 120 students and 10 teachers from our department in attendance. Ms. Fathima Nazrin E. A., a student from 2nd Year Model I, proposed the vote of thanks. The event can be considered a resounding success in all respects.

Onam Celebration

Number of Participants 73

Computer Science

Date : 24/08/2023

As a Malayali, we have a cherished tradition of celebrating Onam every year. The festivities are a source of great joy and unity among students and teachers at Bharata Mata College, particularly in the Department of Computer Science. The Onam celebration is a grand affair, steeped in tradition and filled with enthusiasm.

The event kicks off with the creation of a stunning floral arrangement, known as the pookalam, at the entrance. This pookalam serves as a beautiful reminder of Kerala's agricultural heritage. The designs are not only impressive but also artistically creative, capturing the essence of the occasion and enveloping everyone in a festive and joyful atmosphere.

One of the main highlights of the celebration is the onapattu, melodious songs performed by teachers, which infuse the event with cultural significance. Additionally, students put on various programs, including Thiruvathira Kali, group dances, and song performances across all academic years. These performances bring a burst of color and energy to the occasion, making it even more vibrant.

To enhance the festive spirit, various games are organized, ensuring that everyone has a chance to participate and enjoy the day. The arrival of Mahabali, a central figure in the Onam legend, is met with enthusiasm and applause from both students and faculty members.

Another highlight of the day is the traditional Onasadhya, a feast featuring more than 15 delectable dishes served on banana leaves. This grand meal includes a variety of vegetables, rice, bananas, and the quintessential payasam, showcasing Kerala's culinary heritage.

Legacy Link-Bridging Generation

Number of Participants 16

The interaction between our esteemed former principal Dr Aype Thomas P and our enthusiastic first-year students was an insightful and memorable event. It provided a valuable platform for our newcomers to connect with a source of wisdom and experience, while also allowing our former principal to witness the promising future of our institution. The exchange of ideas, stories, and advice was enriching for both parties, fostering a sense of continuity and pride in our college's legacy.

Through this interaction, our first-year students gained valuable insights into the college's history and values, while Aype Sir was able to witness the bright potential embodied by our new generation of students. This event truly exemplified the essence of our institution – a place where the past and the future converge to create a vibrant and cohesive community.

Healthy Regimens in Karkadakam

Number of Participants 52

Botany

Date : 11/08/2023

The lecture on healthy regimens in Karkadakam was conducted by Arya Vaidya Sala Kottakkal AH & RC Kochi in association with Bharata Mata College Department of Botany on 11 August 2023 at 3:00 pm in front of the college library. The speaker was Dr. Ajithkumar G., a physician at Arya Vaidya Sala Kochi.

Dr. Ajithkumar discussed the importance of following healthy regimens during Karkadakam, such as eating light, cooling foods, drinking plenty of fluids, and avoiding strenuous activity. He also talked about the benefits of certain Ayurvedic herbs and practices, such as Triphala, which can help to detoxify the body and boost immunity.

In addition to the lecture, Botany students distributed Karkida kanji and Chukkukappi to the college community. The College Manager, Principal, faculty members, and students participated in the program. Botany department Head Dr. Newby Joseph coordinated the program and Ms Thansy Mujeeb, 3rd BSc Botany gave the vote of thanks.

Onam Celebration ' Aarppo,23'

Number of Participants 72

Botany

Date : 24/08/2023

The Department of Botany celebrated Onam on August 24, 2023, with an event called "Aarppo '23." The day began with a prayer, setting a spiritually uplifting atmosphere, followed by the inauguration where HOD Dr. Newby Joseph delivered a speech and the traditional lamp-lighting ceremony symbolized the festival's essence.

The program featured lively performances like Vanchippattu, Thiruvathira, and soothing Veenam music. Students showcased their singing talents, and there was a fun Onam Quiz. Maveli's arrival was a special moment, and the Principal addressed the audience, sharing the history of Onam. The day ended with a delicious Onam Sadya, bringing everyone together with traditional Kerala dishes. It was a joyful celebration of Kerala's rich heritage.

Mushroom House to Tasty Pickle: A Cultivation Journey"

Number of Participants 5

Botany

Date: 8/09/2023

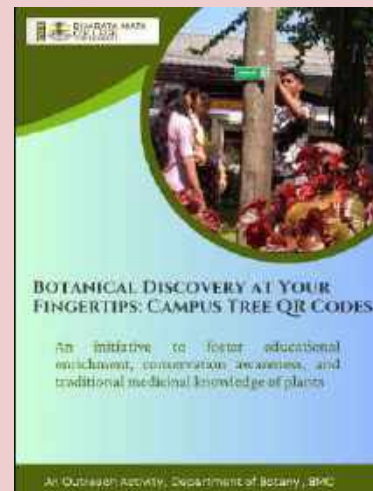

Pleurotus mushrooms were cultivated on straw in the Botany Department of Bharata Mata College. Cultivation began on June 22nd and the first batch was harvested on September 1st. These just-picked mushrooms were carefully cleaned, spiced, and transformed into a delectable pickle. The college's principal and manager were then given this tasty mushroom pickle as a demonstration of how mushrooms may improve both farming and culinary experiences. Cultivation process is continuing with students' participation in various compost materials like straw, Coco peat etc.

GDSC Inauguration

Number of Participants 45

Computer Science
Date: 23/08/2023

On August 23, 2023, Bharata Mata College Thrikkakara officially inaugurated the Google Developer Student Club (GDSC). The event was a resounding success, setting the stage for a year of innovation, collaboration, and tech-driven enthusiasm.

The inauguration ceremony was graced by esteemed guests from the tech industry, Mr. Nandakishor M., CEO of Convai Innovations, who inspired students with his experiences and vision for the future of technology.

The GDSC inauguration marked the beginning of a vibrant community where students can explore and develop their passion for technology. With workshops, hackathons, and collaborative projects on the horizon, this club promises to be a hub of creativity and skill development.

As we embark on this exciting journey, the GDSC at Bharata Mata College Thrikkakara aims to empower students with the knowledge and skills needed to thrive in the ever-evolving tech landscape.

MBA

Date : 17/08/2023

The Vidyarambham ceremony, marking the commencement of the academic year 2023–2025 (19th batch) with the theme "INITIUM 2023," was meticulously orchestrated at BMIM on August 17, 2023, Thursday. The event unfolded with the ceremonial lighting of the Chirag by the new members of BMIM, followed by Rangapooja. To symbolize the surrender of all endeavors to the divine, readings were recited from the Bhagavad Gita, the Holy Bible, and the Holy Quran. Dona and her team led a heartfelt prayer.

Dr. Bejoy Joseph, Associate Professor, set the tone with a warm welcome address. The inauguration and inaugural address were delivered by the esteemed guest of honor, Prof. Dr. P. G. Sankaran, Vice-Chancellor of Cochin University of Science and Technology, CUSAT. He encouraged students to set lofty goals, fostering a broad vision for themselves and the world. The guest of honor was honored with a Memento by our manager, Rev. Fr. Dr. Abraham Oliyapurath.

Following this, Rev. Fr. Dr. Abraham Oliyapurath presented the presidential address, reminding everyone of the institution's motto, vision, and mission. He stressed the importance of students cultivating a steadfast, long-term focus on their goals. Felicitations were offered by Dr. K. M. Johnson (Principal), Fr. Jimmichan Karthanam (Assistant Director), and Prof. Dr. B. Hareendran (Academic Director). They

underscored the need for students to explore both academic and non-academic opportunities fully.

Prof. Rajmohan Kadavil expressed gratitude in the vote of thanks. Subsequently, an orientation session for parents and students took place in the auditorium.

MBA

Date:25/08/2023

On August 25, 2023, Bharata Mata Institute of Management (BMIM) in Kerala, India, celebrated Onam with the event 'Aarppoo' at the BMIM Auditorium from 9:30 AM to 5:00 PM. The day was a testament to the rich cultural tapestry and community spirit that defines Onam festivities. The BMIM Auditorium underwent a thematic makeover with intricate floral decorations and traditional motifs, creating a festive ambiance. The event commenced with traditional percussion beats and a Thiruvathira dance performance, setting the tone for a day filled with cultural showcases. Students and faculty contributed to the cultural mosaic with diverse performances, including classical dances, skits portraying Onam folklore, and a lively flower carpet competition. The auditorium reverberated with applause, emphasizing the success of these presentations in fostering unity and cultural appreciation. An integral part of the celebration was the Onam Sadhya, a grand feast served during the afternoon. The culinary extravaganza featured a variety of traditional Kerala dishes, from the iconic Payasam to savory delicacies, creating a delightful culinary experience for all attendees. In addition to the customary floral decorations and feasting, the event highlighted the importance of traditional games and sports in Onam celebrations. Activities such as Uriyadi and Vadam added a layer of excitement, promoting camaraderie and a connection to Kerala's cultural heritage. The 'Aarppoo' celebration concluded at 5:00 PM, leaving a lasting impression of laughter, tradition, and communal warmth. Beyond being a moment of cultural revelry, this event underscored BMIM's commitment to preserving and promoting the cultural heritage of Kerala within its academic community.

CEO Talk

Number of Participants 51

MBA

Date:04/09/2023

On September 4, 2023, Bharata Mata Institute of Management hosted a significant event known as CEO Talk, where Sri. Kochouseph Chittalappilly, Chairman and CEO of V-Guard Industries Ltd and Wonderla Holidays Ltd, served as the distinguished chief guest. Participants from Batch 18 & 19 were privileged to partake in this insightful learning opportunity. During his address, Sri. Kochouseph Chittalappilly shared invaluable insights into the intricacies of embarking on a new business venture. He emphasized crucial qualities for effective business management, stressing the importance of prioritizing quality consciousness and a straightforward approach over the notion of a mythical Midas touch. The session delved into the extraordinary journey of establishing India's largest electrical appliances manufacturer, a company with a market capitalization exceeding 14,000 Cr. This narrative served as a compelling illustration of entrepreneurial success, providing students with a rare glimpse into the strategies that led to significant growth. A noteworthy aspect of the event was the interactive session, offering students a unique opportunity to engage directly with the accomplished entrepreneur. This exchange proved invaluable as students sought clarification on doubts and dispelled misconceptions regarding the path to success in the business realm. In summary, the CEO Talk featuring Sri. Kochouseph Chittalappilly not only enhanced the academic atmosphere at Bharata Mata Institute of Management but also equipped students with practical knowledge and real-world insights essential for their future ventures in the business world.

Alumni Interaction

Number of Participants 52

MBA

Date : 4/9/2023

The induction program for Batch 19 at BMIM included an alumni interaction with Ms. Sruthy M Varghese, a standout graduate from Batch 14. Serving as the Chief HR at HappyMindz, an elder care Pvt Ltd, Ms. Varghese shared her experiences and insights with the new students in a session that commenced at 9:30 am in the BMIM Auditorium. As the best outgoing student of her batch, Ms. Varghese delved into her professional journey, discussing pivotal lessons and navigating challenges. The dialogue encompassed industry trends, career guidance, and the dynamic field of elder care. The interactive nature of the session allowed

for a vibrant Q&A, enabling students to directly engage with the alumna. This exchange fostered a rich discussion on ideas, experiences, and valuable advice. The session wrapped up at 11 am, leaving the fresh batch motivated and armed with essential perspectives for their academic and professional endeavors.

MBA

Date:24/08/2023

On the 6th day of the induction program at BMIM, students were privileged to engage in an insightful alumni interaction. The session commenced at 9:30 AM and concluded at 10:30 AM, held in the MBA seminar hall. Mr. Vishnu P Nair, a distinguished alumnus from the 12th batch of BMIM, served as the resource person for the event. Having successfully navigated through the MBA program at BMIM, Vishnu brought a wealth of real-world experience from his career

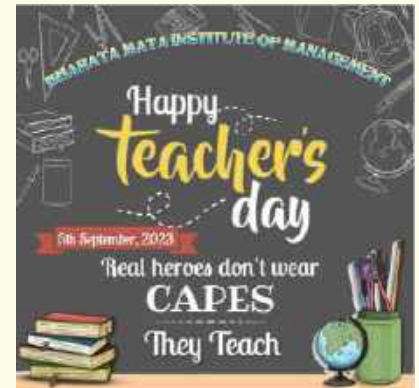

at Lulu Group. The interaction likely kicked off with Vishnu sharing anecdotes and reflections from his time as a student at BMIM, fostering a sense of camaraderie among the current batch. Moving beyond nostalgia, Vishnu delved into the dynamics of the retail industry, offering a practical perspective on its challenges and evolution. Throughout the session, students had the opportunity to pose questions, seek advice, and gain valuable insights into the professional landscape. Vishnu, drawing on his own journey post-MBA, emphasized the importance of adaptability, continuous learning, and effective networking in the competitive business world.
