Message

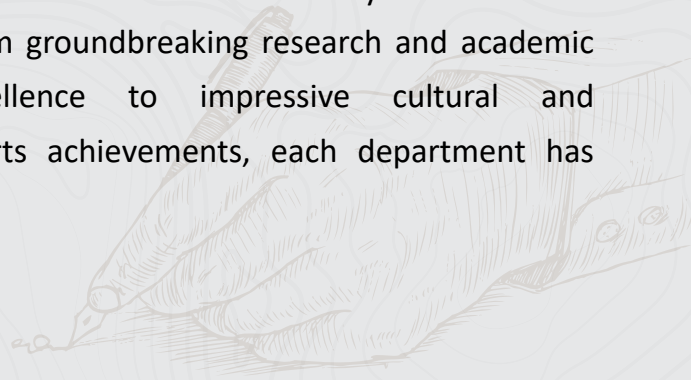

Principal

As I pen down this message for the bi-monthly chronicle, it is with a mix of pride and nostalgia that I announce my retirement as the Principal of Bharata Mata College (Autonomous) Thrikkakara. Reflecting on my tenure, I am filled with immense pride and a profound sense of fulfillment as I share this message. While I transition from my role as Principal, my heart swells with gratitude for the collective efforts and unwavering support from our esteemed faculty, dedicated staff, and vibrant student community.

Achieving the autonomous status stands as a crowning achievement during this academic year in our institutional journey,

reflecting our unwavering commitment to academic excellence and innovative education. This status not only marks a significant milestone but also heralds a new era of flexibility, creativity, and academic freedom, empowering us to tailor our curriculum to better meet the dynamic needs of our students and the demands of the ever-evolving global landscape.

Our college has consistently demonstrated exceptional performance across various departments, a testament to the dedication and hard work of our faculty and students. From groundbreaking research and academic excellence to impressive cultural and sports achievements, each department has

contributed to our legacy of excellence. The accolades and recognitions we have garnered underscore the talent, resilience, and innovative spirit that define our institution. As we usher in a new academic year, the dawn of our autonomous journey brings with it a renewed vigor and an array of opportunities for academic and holistic growth. This period promises a transformative experience for our students, fostering an environment that encourages creativity, critical thinking, and comprehensive development.

As I pass the baton, I am confident that Bharata Mata College will continue to ascend new heights, driven by the same spirit of excellence and innovation that has

brought us this far. I extend my heartfelt thanks to everyone who has been a part of this incredible journey and has contributed to our shared success. Let us continue to strive for excellence, embracing the opportunities that lie ahead with enthusiasm and determination. With a deep sense of pride in our past achievements and a hopeful eye on the future, I bid farewell, confident that the best days of Bharata Mata College are yet to come. Thank you for being an integral part of this remarkable journey. Your contributions have been invaluable, and I look forward to witnessing the continued success and growth of our beloved institution. With warm regards and best wishes for the future

JOSEPH CARDINAL PARECATTIL

20th Commemorative Lecture

Keynote Address

Montek Singh Ahluwalia
Former Deputy Chairman
Planning Commission
Government of India

Presidential Address

Rev. Fr. Dr. Varghese Pottackal
Proto-syncellus
Ernakulam - Angamaly
Archdiocese

The 20th Joseph Cardinal Parecattil Commemorative Lecture was held on the 5th of January 2024, at 10 PM at Bharata Mata College. This event, marked by reverence, intellectual discourse, and communal spirit, paid a profound tribute to Cardinal Joseph Parecattil. It reaffirmed Bharata Mata College's commitment to academic excellence and social responsibility. The event was graced by the presence of Rev. Fr. Dr. Varghese Pottackal, Proto-syncellus of the Ernakulam-Angamaly Archdiocese, and Mr. Montek Singh Ahluwalia, Former Deputy Chairman of the Planning Commission, Government of India, as the chief guest. The event commenced with a soulful rendition of the BMC Anthem, setting a solemn and respectful tone for the day's proceedings. Following this, a heartfelt homage and floral tribute were paid to our Founder Patron, Cardinal Joseph Parecattil, whose vision and contributions continue to inspire us. The inaugural address was delivered by Rev. Fr. Dr.

Varghese Pottackal, Proto-syncellus of the Ernakulam-Angamaly Archdiocese. His words resonated with the audience, reflecting on the legacy of Cardinal Parecattil and the values he instilled within our community. Rev. Fr. Dr. Pottackal's address was followed by a prayer, led by the Music Club, which brought a sense of unity and peace among the attendees. Prof. (Dr.) Johnson K. M., Principal of Bharata Mata College, extended a warm welcome to the distinguished guests and attendees, highlighting the significance of the commemorative lecture in honoring Cardinal Parecattil's contributions to education and society. The ceremonial lighting of the lamp was a symbolic act, signifying the illumination of knowledge and wisdom that the event aimed to impart. Rev. Fr. (Dr.) Abraham Oliapurath, Manager of Bharata Mata College, then delivered the Manager's Address, emphasizing the continuous commitment of the college to uphold the values and ideals championed by Cardinal Parecattil. His address set the stage for the keynote session, filled with anticipation and eagerness. The highlight of the event was the keynote address by Mr. Montek Singh Ahluwalia, Former Deputy Chairman of the Planning Commission, Government of India. Mr. Ahluwalia's speech, titled "Challenges Ahead for India," provided an in-depth analysis of the current socio-economic landscape of India. He eloquently addressed the multifaceted challenges that the nation faces and offered strategic insights into overcoming these hurdles. His address was both thought-provoking and enlightening, leaving a lasting impression on the audience. An interactive session followed, where Mr. Ahluwalia engaged with the audience, answering questions and elaborating on his views. This session fostered a dynamic exchange of ideas, enriching the overall experience of the lecture. To honor Mr. Ahluwalia's valuable contribution to the event, a memento was presented to him. This was followed by the distribution of the Cardinal Joseph Parecattil Excellence Awards, recognizing individuals who have made significant contributions in various fields, embodying the spirit and dedication of Cardinal Parecattil. Dr. Ponny Joseph, the event convenor, delivered the vote of thanks, expressing gratitude to all the dignitaries, participants, and organizers for making the event a grand success. The ceremony concluded with the National Anthem, followed by a convivial lunch.

BenchMarC - step to future.

BenchMarC - step to future, is the event organised by the Training and Placement Cell every year to appreciate the students placed in various organizations during the respective academic year. This year's event was held on 12th March 2024. Students along with their parents were invited to participate in this event. Students placed in different organizations received the Medals from Rev. Fr. Dr. Abraham Oliapurath, Managing Director, Bharata Mata College. Best Student Coordinators and Best Offer Awards were given to outstanding students by Dr. Johnson KM, Principal of the College. All the students' Coordinators received their appreciation certificate from the Dr. Lissy Kachappilly, Vice - Principal(Aided) and by Ms.Bini Rani Rose, Vice - Principal(SF) of the College. B.Com Finance and Taxation(SF) received the Best Department in Placements for this academic year. The event was coordinated by Mr. Saravanakumar S, Training and Placement Officer and the members of the BMC Placement Team.

SPORTS ACHIEVEMENTS

BMC Cup Intercollegiate Football Tournament 2023-24
The Department of Physical Education, in association with the college union, has organised the BMC Cup Intercollegiate Football Tournament on February 16, 17, and 19, 2024, at the college football field. There were eight invited colleges, and Bharata Mata College won the championship. The final match was between St. Paul's College Kalamassery and Bharata Mata College. Rev. Dr. Abraham Oliappurath, Manager of the College, inaugurated the concluding ceremony and handed over the prizes to the winners. Dr. Bini Rani, Vice Principal, Mr. Jose Xavier, HOD Physical Education, St. Paul's College Kalamassery, Mr. Robin V. M., HOD, Physical Education, BMC Thrikkakara, and Mr. Ajith Johnson, Assistant Professor, Physical Education, BMC Thrikkakara, were presented in the ceremony and greeted the players.

SPORTS ACHIEVEMENTS

During the last semester of the academic year 2023-24, the Department of Physical Education and College Union Unitedly conducted the annual sports and games. The event was interdepartmental. A total of 18 departments, both aided and self-financed, took part. The Department of Commerce won the overall title by scoring the highest point. Athletics, football, basketball, badminton, carroms, chess, and pushup challenges are among the events included in URJA. The athletic championship was held on February 9, 2024, with Rev. Dr. Abraham Oliappurath, Manager of the College, inaugurate the opening ceremony by hoisting the flag.

Dr. Johnson K. M., Principal of the College, addressed the gathering, while Rev. Fr. Mathews Karthanam greeted the students. The students' active engagement helped make the event a success.

Number of Participants 36

Computer Application
Date : 13/10/2023

A Faculty Development Programme on SPSS was conducted on 13th October, 2023 from 1.30 pm to 3.30 pm in the Computer Lab, Golden Jubilee Block. Dr. Anusree M, Assistant Professor, Department of Computer Application was the Resource Person. The session aimed at providing an elaborate idea of the subject, throwing light on the various aspects of tools of SPSS so as to enhance the research ability of the Faculty members. 36

faculty members from various departments attended the session. The session turned out to be very fruitful as it provided the faculty members a thorough knowledge of the subject.

Professional Approaches to English Research-Workshop for Aspiring Scholars

Number of Participants 26

The Research Centre of English at Bharata Mata College embarked its journey with a 3-day national workshop from December 11-13, 2023 on 'Professional Approaches to English Research' organized jointly by Prajna Foundation and Institution of Eminence Research Chair, Department of English, School of Humanities, The University of Hyderabad. Prof. K Narayana Chandran, Prof. P.P Raveendran, Prof. N Prasantha Kumar, Dr. Rajesh V Nair, Dr. Jeevan Kumar and Dr. Reenu Punoose,

leading scholars in the field mentored aspiring researchers with both theoretical insights and hands-on exercises in research in English Studies. The syllabus for the workshop included special sessions on 'Reading for Research.' The event aimed to empower young researchers with the tools and insights necessary to thrive in their respective fields. The event facilitated the exchange of ideas, methodologies, and best practices among participants from diverse research backgrounds. It proved to be a valuable experience, equipping participants with the skills and connections necessary for successful research careers. The event's success sets a positive precedent for future workshops aimed at empowering the next generation of researchers.

To English Research -Workshop For
Young Research Supervisors*

Number of Participants 15

English

Date: 16/ 12/2023

The second in the series of inaugural programmes initiated by the Research Centre of English, Bharata Mata College, Thrikkakara was a workshop 'Professional Approaches to English Research' organized jointly by Prajna Foundation and Institution of Eminence Research Chair, Department of English, School of Humanities, The University of Hyderabad on 16 December 2023, for faculty who have been assigned research guideship in the last couple of years. This event aimed to facilitate a convergence of seasoned supervisors and fresh-

ers, fostering an exchange of experience and innovative approaches in the field of English Studies. Panel comprising Prof. K Narayana Chandran, Prof. Vargheese John, Prof. N Prasantha Kumar and Dr. Jeevan Kumar discussed current trends, emerging challenges, and the future

of research guideship in English Studies. The workshop successfully fulfilled its objectives of promoting collaboration, knowledge exchange, and innovation among faculty members involved in research guidance.

Millet cultivation

Number of Participants 28

MSW

Date: 06/12/2023

As a distinctive educational initiative, first-year MSW students of Bharata Mata School of Social Work engaged in hands-on learning through millet cultivation, guided by the expertise of Prameela Pramod, a seasoned millet farmer and a member from the transgender community. The event, graced by esteemed figures such as Dr. Sheena Rajan Philip, Dr. Elsa Mary Jacob and Mr. Sooraj M V, aimed to deepen students' understanding of sustainable agriculture. The immersive millet cultivation experience provided students with practical insights into farming practices, emphasizing the importance of millets in sustainable agriculture. The presence of Prameela, a transgender millet farmer, not only added diversity to the learning environment but also highlighted inclusive perspectives in agriculture. The session's conclusion marked a successful integration of theoretical knowledge and practical application, enriching students' awareness of the broader implications of millet cultivation.

The National Energy Conservation Day is celebrated on December 14 every year, in order to spread the message on the importance of conserving energy. The objective to celebrate the National Energy Conservation Day is to drive mass awareness about the importance of energy efficiency and con-

servation. The classes were divided into three sessions, which were taken by Anamika Shaji, Rukma Soman, and Teena Thomas. On 14th December 2023, as part of Rural Sensitization Camp, trainees of Bharata Mata School of Social Work, conducted an awareness class on Energy Conservation. The program begins in evening 4pm at Kannavam Tribal L.P School, Kannur.

The community people of the Kannavam Colony Participated in this event.

International talk Series

Number of Participants 66

Mathematics

Date :14/09/2023

The Department of Mathematics at Bharata Mata College, Thrikkakara, took a significant step towards fostering academic exchange by initiating an International Lecture Series. The first lecture of the series featured Mr. Vishnu K.S, a Research Fellow from the University of Munster, Germany, as the distinguished speaker. The event was held at MSW hall on 14.09.2023 and it aimed to provide a platform for intellectual discourse and knowledge-sharing on the topic of "Continuous Functions on the Real Line." The program commenced with a warm welcome address

by Dr. Seethu Varghese, Assistant Professor at the Department of Mathematics. Dr. Varghese expressed gratitude to Mr. Vishnu K.S for gracing the occasion and setting the stage for a series that promises to enhance the academic environment at Bharata Mata College. Dr. Lakshmi C, Assistant Professor and Head of the Department, delivered the presidential address. Dr. Lakshmi highlighted the importance of such international collaborations in promoting a global perspective within the academic community.

The main highlight of the event was Mr. Vishnu K.S's lecture on "Continuous Functions on the Real Line." Drawing from his expertise as a Research Fellow at the University of Munster, Germany, Mr. Vishnu provided valuable insights into the theoretical foundations, applications, and contemporary research in the field. The lecture catered to both students and faculty members, offering a comprehensive understanding of the topic. The session concluded with an engaging question-and-answer segment, where attendees had the opportunity to interact with Mr. Vishnu and delve deeper into the subject matter.

Association Inauguration

Number of Participants 80

Mathematics

Date: 06/11/2023

The day of 6th November 2023 serves as the Association inauguration day for the academic year 2023-24 for Department of Mathematics, Bharata Mata College, Thrikkakara. The day was auspicious in formally designating the 2023-24 Association members with their respective positions.

The inaugural ceremony was held in MSW Hall, Bharata Mata College. The Chief Guest for the ceremony was Dr. Noufal A, Asst. Professor, Department of Mathematics, CUSAT. Furthermore, the ceremony was blessed by the presence of Dr. Johnson K, Principal, Bharata Mata College and other faculty of Mathematics department, Bharata Mata College. The occasion was attended by the undergraduate and post graduate students of the Department.

The formal session started with welcome speech by Ms. Dhiya Fathima of second-year BSc Mathematics, followed by the Presidential address of Principal, Dr. Johnson K.M. The Association report of last year(2022-23) was presented by Dr. Lakshmi C, HOD, Department of Mathematics.

Association Inauguration was done by the Chief Guest and it was followed by the Magazine presentation of last academic year by the Chief Guest, HOD, Former Association secretary; Ms.Al-Azmi and Former Magazine Editor; Ms. Gifty.

The Formal inaugural session was concluded with a Vote of Thanks by Ms. Fathima PA, Association secretary, second-year BSc Mathematics.

Selected members of Association (2023-24) is as follows:

Association Secretary : Ms. Fathima PA, Asst. Secretary : Mr. Alan Augustine, Treasurer : Sister Dhanya Jose, Magazine Editor : Ms. Sarah Marianne Joseph.

The ceremony was commemorated by a talk by The Chief Guest, Dr. Noufal K on the topic “ Interesting mathematical models in nature”. The talk was really enlightening for the students gathered at the venue. A vote of thanks to our Guest for his knowledgeable talk was given by Ms. Meera of second-year MSc Mathematics.

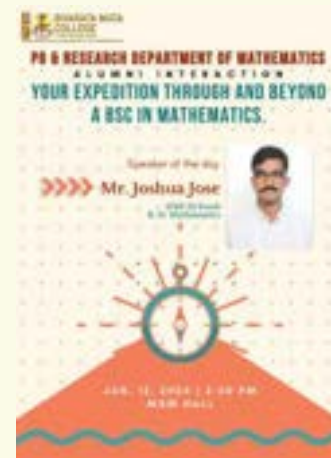

To add a cherry to this sweet memory of gathering, students of second-year BSc Mathematics hosted a group concert which enthralled the students to unite for the successful completion of the day’s vision, i.e., to embark on a new journey with unity and determination for achieving goals and making a positive impact in our community.

Your expedition through and beyond a BSc in Mathematics

Number of Participants 43

Mathematics
Date: 12/01/2024

In a pursuit to bridge the gap between academia and industry, the Department of Mathematics at Bharata Mata College, Thrikkakara, organized a stimulating Alumni Interaction at the MSW Hall, commencing at 2.30 pm. The distinguished speaker for the occasion was Mr. Joshua Jose, an Associate Analyst (Product) at Chryselys and an alumnus of the BSc Mathematics program (2018-21 batch). The event commenced with a warm welcome by Sarah, a second-year undergraduate student. Dr. Lakshmi C, Assistant Professor and Head of the Department introduced Mr. Joshua Jose as an exemplary figure representing the department's proud legacy and underscored the significance of learning from successful alumni.

Mr. Joshua Jose, representing the alumni community, took the floor to share his experiences and insights. In his talk on 'Your Expedition through and beyond a BSc in Mathematics,' he provided a comprehensive overview of his academic journey and the diverse opportunities available in the professional landscape post-BSc. He spoke about the practical applications of mathematical knowledge in the corporate world, drawing from his own experiences at Chryselys. The interactive session that ensued allowed students to pose questions to Mr. Joshua, seeking advice on career choices, skill development, and the transition from academia to the professional realm. Mr. Joshua's responses, rooted in his personal journey, provided practical guidance and motivation to the students.

The event served as a valuable platform for current students to connect with a successful alumnus and gain insights into the practical aspects of pursuing a career after completing their BSc in Mathematics.

International Conference on Recent Advances in Physical Science

Number of Participants 200

Physics

Date: 28/11/23 -
30/11/23

The Research and Postgraduate Department of Physics organized the International Conference on "Recent Advances in Physical Science" from November 28th to 30th, 2023. The seminar aimed to explore the mysteries of the cosmos and delve into the unknown. The inaugural function, starting at 10:00 am in the MBA auditorium, featured a prayer song by Ms. Veda, followed by a welcome address from the Head of the Physics Department, Dr. Shibi Thomas. The Principal, Mr. Johnson KM, delivered the presidential address, and a lamp-lighting ceremony ensued. Dr. Aurelian Podglajen, a Research Scientist from Laboratoire de Meteorologie Dynamique, Paris, France, inaugurated the conference with an insightful talk on unraveling the mysteries of Physical Science. Rev. Fr. Dr. Abraham Oliapurath, the Manager of the institution, delivered the keynote address. The felicitation was led by Rev. Fr. Mathew Karthanam and Ms. Bini Rani Jose, the Vice Principal. The inaugural ceremony concluded at 11:00 am with a vote of thanks from Dr. Lini Devassy, faculty of the Department of Physics. The first technical session at 11:30 am featured Dr. Aurelian Podglajen discussing Atmospheric gravity waves: observations and impacts. Dr. Manesh Michael chaired the session, which concluded with the presentation of a memento to Dr. Aurelian Podglajen. After the lunch break, the second session at 01:30 pm, chaired by Dr. Anu Philip, featured a talk by Dr. T N Narayanan from Tata Institute of Fundamental Research on "Scaling up Atomic Layers for Applications." The session concluded at 2:30 pm with a memento presented to Dr. T N Narayanan. The third session, under the direction of Dr. Shibi Thomas, featured Dr. Santhosh Kumar from the National Institute of Technology, Trichy, discussing "Ternary and Quaternary Earth Abundant Semiconductors for Thin Film Solar Cells." The session concluded with a token of appreciation presented to Dr. Santhosh Kumar. Undoubtedly, the program was a grand success, enriching young minds with scientific ideas and fostering group thinking among the participants.

The second day of the conference began at 10:00 am with an invited lecture by Prof. Karuna Kar Nanda from the Institute of Physics, Bhubaneswar, Orissa. The session was chaired by Ms. Devika S, and a memento was presented to the speaker as a token of appreciation. The second invited talk, "Towards Pb-Free Perovskites for Thin Film Photovoltaics," was delivered by Dr. Jayakrishnan Ramakrishnan, an Associate Professor from

the University of Kerala, Trivandrum. A memento was presented to the speaker by Ms. Jincy T, faculty of the Physics Department, adding a personalized touch. After the lunch break, the next session at 1:15 pm focused on "Measuring Neutrino Oscillation Using Long Baseline Experiments," featuring insights from Dr. Navneeth Poonthottathil, complemented by Dr. Lini Devassy. The inclusion of two venues for theoretical and experimental presentations showcased meticulous planning. The oral and theoretical presentations, from 2:15 pm to 5:00 pm, were judged by Dr. Anu Philip, Dr. Priya Rose, Dr. Priyesh, and Dr. Lini Devassy. 50 participants presented paper in both theoretical and experimental sessions. The structured approach and venue-specific details ensured a seamless and engaging academic flow.

The final day commenced at 10:00 am with a lecture by Prof. Anil Kumar from the Indian Institute of Science and Engineering, Bangalore, chaired by Dr. Athira A R, faculty of the Physics Department. Prof. Dr. Anil Kumar's talk on quantum materials set a scholarly tone, and a lot of discussions took place. A memento was

presented to the speaker by Dr. Athira A. R. The subsequent session by Dr. Reji Philip, Professor of Raman Institute, Bangalore, on 'Ultrafast laser-produced plasma' continued the tradition of scholarly discussions, chaired by Dr. Riju K Thomas. This was another interesting talk which engaged all the participants to different heights. Dr. Shibi Thomas, Head of the department presented a memento to the speaker as a token of love and gratitude. The Valedictory Session at 2:00 pm promised a fitting conclusion to the conference. Feedback from the participants was taken, and prizes for the best poster and oral presentations, certificates to the participants were also distributed. Around 200 Participants from various colleges and universities contributed to the overall success of ICRAPS 2023.

In conclusion, the ICRAPS 2023 conference exhibited meticulous planning, intellectual engagement, and a seamless flow of events and wide participation elevating it to a successful platform for the exchange of ideas in the realm of physical science. The amalgamation of scholarly discussions, acknowledgments, and networking opportunities underscored the conference's significant contribution to the academic community.

Participation in Cochin Flower Show Megastructure Competition

Number of Participants 89

Botany

Date : 22/12/2023

The Department of Botany actively engaged in a unique competition connected with the Cochin Flower Show on December 22, 2023, by creating a megastructure using recycled plastic bottles. The project aimed to promote sustainability and environmental consciousness while contributing to the vibrant atmosphere of the flower show. The team comprising of the students as well as the faculty members utilized approximately 1000 plastic bottles collected from the college grounds, emphasizing recycling and repurposing. The

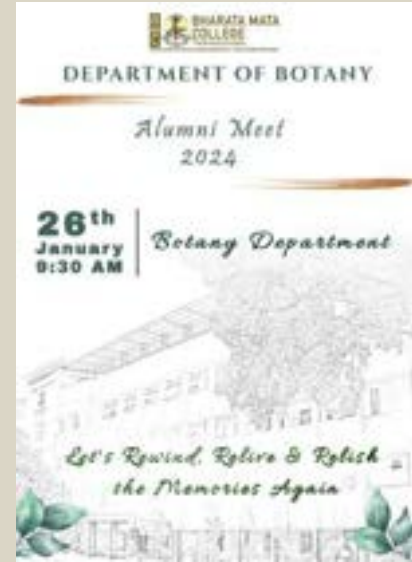

chosen model was a "Bus Stop," with an impressive dimension of 8x8 feet. The bottles were connected together using nylon wire and a meticulous assembly process brought the model "Bus Stop" to life. The Botany Department's participation in the Cochin Flower Show Megastructure Competition showcased a harmonious blend of environmental consciousness and creative innovation. The meticulous use of recycled plastic bottles not only contributed to the creation of a visually impressive "Bus Stop" model but also underscored the department's commitment to sustainable practices. This endeavor not only added a unique touch to the flower show but also served as a meaningful example of repurposing materials for artistic and functional purposes.

Alumni Meet 2024

Number of Participants 32

Botany

Date: 26/01/2024

The Alumni Association of Bharata Mata College, Thrikkakara was conducted on the auspicious Republic Day of 26th January 2024, named as “BOSA” in the presence of Rev. Fr. Dr. Abraham Oliyapurath, Manager, Johnson K.M. Principal and other faculty members and many enthusiastic former students of the college. On behalf of this, Botany department arranged alumni meet at the department @ 9.30 am and the welcome address was given by Dr. Newby Joseph and the session saw the active participation of 32 former students, creating an atmosphere of nostalgia and camaraderie. After the welcome speech everyone introduced themselves and shared their experiences while studying at the college, and life afterwards. The departmental meeting ended at 11:30 PM and all alumni moved to common meeting. Many of the enthusiastic ex- students were present for the formation of the Alumni association. Several cultural programs were conducted by the college for the Alumnus. The gathering not only celebrated the rich history of the institution but also laid the foundation for a robust Alumni Association, ensuring continued engagement and collaboration in the years to come.

Extramural Lecture Series

Number of Participants 493

Physics

Date : 19/01/2024

Bharata Mata College, Thrikkakara, hosted a webinar for the inaugural lecture of the Extramural Lecture Series (ELS) by a Nobel laureate in Physics (2003), Sir Anthony James Leggett on Friday, 19th January 2024, at 7:00 pm IST. The webinar began promptly at 7:00 pm IST, with the Principal of Bharata Mata College, Prof. Johnson K M, delivering a welcoming address.

Dr. Shibi Thomas, Head of the Department of Physics, introduced the distinguished speaker to the participants. Without any delay, Sir Anthony James Leggett inaugurated the Extramural Lecture Series, and the lecture commenced.

During the lecture, Sir Anthony James Leggett meticulously explained the evolution of time and each term related to the topic, ensuring that the participants gained a clear understanding. The lecture concluded around 8:00 pm, followed by a Q&A session where participants posed extraordinary and interesting questions. Sir Anthony addressed each query, providing clarity on various aspects of the topic.

The program concluded with a vote of thanks delivered by Dr. Manesh Michael, Assistant Professor in the Department of Physics. About 493 participants from around the world attended the first lecture of the Extramural Lecture Series, making the program highly successful¹¹.

Campus Clean-Up: Nature Club's Plastic Bottle Collection Drive

Number of Participants 32

The Nature Club organized an initiative on the 11th of December, 2023, focusing on the collection of plastic bottles within our campus premises. Members of the Nature Club gathered plastic bottles from various areas across the campus. Their commitment and enthusiasm were commendable, showcasing a strong sense of responsibility towards environmental conservation. The collected bottles were then meticulously sorted, emphasizing the importance of proper waste management practices. These plastic bottles were handed over to be utilized in the construction of a monumental structure for the upcoming Flower Show. This thoughtful approach added an artistic and innovative dimension to the campaign against plastic waste.

International Conference on Graph Innovations (ICGI 2023)

Number of Participants 60

Mathematics
Date:16/12/2023

The Department of Mathematics, Bharata Mata College, Thrikkakara organized Council for Scientific & Industrial Research (CSIR) sponsored one-day International Conference on Graph Innovations (ICGI 2023) in collaboration with The Indian Mathematics Consortium (TIMC) on December 16, 2023. The workshop was convened by Dr. Seethu Varghese, Asst. Professor, Department of Mathematics, BMC. The advisory committee consisted of Prof. Sandi Klavžar, Faculty of Mathematics and Physics, University of Ljubljana, Slovenia, Prof. Ambat Vijayakumar, Emeritus Professor, Department of Mathematics, CUSAT and Dr. Indulal G, Professor & Principal, Department of Mathematics, St. Aloysius College, Edathua.

The International Conference on Graph Innovations (ICGI 2023) commenced with an auspicious inaugural function. The proceedings began at 9:30 am with a warm welcome speech by the Convenor, Dr. Seethu Varghese, setting the tone for the day. The Presidential Address was delivered by the Principal Prof. Dr. Johnson K M, followed by the official inauguration conducted by Prof. Ambat Vijayakumar. Prof. Sandi Klavžar graced the occasion with felicitations, and the opening session concluded with a vote of thanks by the Head of the Department, Dr. Lakshmi C.

The conference delved into academic discussions with a Plenary Talk by Prof. Sandi Klavžar on 'Visibility Concepts in Graph Theory', providing valuable insights into the latest innovations in graph theory. Dr. T Asir,

Associate Professor, Pondichery University, Pondichery delivered an insightful talk on 'Graphs constructed from ring structure', sharing his expertise and perspectives on the conference theme. Dr. T Karthick, Associate Professor, Indian Statistical Institute, Chennai, presented his views and research findings on 'Coloring of some graph classes', contributing to the diverse discourse on graph innovations. Prof. Peter Dankelmann, Department of Mathematics & Applied Mathematics, University of Johannesburg, South Africa, took the stage for the third invited talk on 'Aspects of the Weiner Index of Graphs', adding depth to the conference's exploration of graph innovations. The afternoon session was dedicated to the presentation of research papers, where scholars and researchers showcased their findings and advancements in the field of graph theory. The conference recognized excellence in paper presentations, with an award bestowed upon the best presenter. The best paper presentation award was given to Mr. Liju Alex, Assistant Professor, Bishop Chulaparambil Memorial College, Kottayam, for his presentation on 'On Some Bounds of Additively Weighted Mostar Index of Graphs'. The program concluded at 06:00 pm, marking the end of a successful day filled with enriching discussions and knowledge sharing.

ICGI 2023 witnessed active engagement from the academic and research community, with a total of 55 participants (53 national & 2 international) representing various institutions. The diverse and widespread participation underscored the significance of the conference as a platform for knowledge exchange and collaboration. The positive feedback received from participants highlighted the success of ICGI 2023 in achieving its objectives. Attendees expressed their appreciation for the high-quality presentations, diverse topics covered, and the conducive networking environment. The conference organizers are keen on building upon this success and look forward to organizing future editions to continue fostering knowledge dissemination and collaboration in the field of graph innovations.

The Department extends its sincere gratitude to the Council of Scientific and Industrial Research (CSIR) for their generous sponsorship of the International Conference on Graph Innovations. This support played a pivotal role in ensuring the success and smooth execution of the event. The Department is also grateful to The Indian Mathematics Consortium (TIMC) for the academic collaboration.

Valsalyadinam

Number of Participants 10

Commerce

Date : 21/02/2024

On the 21st of February 2024, the 1st year M.Com students of the PG Department of Commerce and Research Centre organized an outreach programme titled "Valsalyadinam." The objective was to engage with and support the children at Valsalyam Sisubhavan, an esteemed child-care orphanage located in Pallilamkara, Kalamassery. Fifteen students, accompanied by Dr. Tessy Thomas, their Assistant Professor and class teacher, embarked on a journey to the Sisubhavan at 9:30 am.

Activities: Upon arrival, the students were warmly greeted by the caretaker, Sr. Joicy, and the child-nurse, Sr. Irene. They received a comprehensive introduction to the institution and were briefed on the nature and characteristics of the children residing there. The orphanage provided a nurturing environment for 23 children ranging from infants to six-year-olds, under the custody of the district Child Welfare Committee (CWC). The youngest one is a 7-month old baby.

The students divided into groups of three and actively engaged with the children, assisting the care-

takers with various tasks and household chores. Following this, they participated in cleaning activities in and around the premises, contributing to the upkeep of the facility. After a fulfilling morning, the students assisted in feeding lunch for the children and continued to interact with them through playful games and activities.

Impact and Reflection:

The students found immense joy in their interactions with the children, witnessing their laughter and smiles throughout the day. The experience served as a profound reminder of the privileges they enjoyed, particularly the love and support of their own families. Moved by their encounter, the students pledged to extend more care and compassion to the orphaned children within their society.

Conclusion:

As the day drew to a close, the students distributed sweets and snacks to the children, bidding them a heartfelt farewell during a concluding session. The "Valsalyadinam" outreach programme concluded on a note of gratitude and fulfillment, leaving a lasting impact on both the students and the children they connected with. It was a day of enlightenment and empathy, reaffirming the importance of kindness and solidarity in building a compassionate society.

International Lecture Series #3

Number of Participants 137

Physics

Date : 13/12/2023

Prof Antonello Anterone, Department of Physics, University of Naples Federico II Italy.

The Research and Postgraduate Department of Physics organised an international lecture series for students. The third lecture took place on December 13, 2023, at the MBA Seminar Hall, starting at 2:30 PM. Malavika, a third-year BSc Physics student, hosted the program. The event commenced with a prayer song by Ganga, also in her third year.

Dr. Shibi Thomas, Head of the Department, welcomed the attendees, initiating the program with a prayer. The guest of honour was Prof. Antonello Anterone from the Department of Physics, University of Naples Federico II, Italy. He delivered a session on Terahertz waves, providing a comprehensive overview of THz waves, its nature and applications. Prof. Antonello explained the topic in a clear and accessible manner, discussing applications such as defect detection in tablet coatings, product inspection, spectroscopy (in astronomy), material characterization (in physics), concealed weapons detection and cancer detection.

The lecture was well-received by the audience, enhancing their understanding of Terahertz waves and their potential uses. A lively question and answer session followed the lecture, concluding with a vote of thanks.

Number of Participants 34

Computer Science

Date: 21/02/24

National Science Day was observed with great enthusiasm, focusing on the theme "Exploring the Frontiers of Science" this year on 21.02.24. The welcome address was done by Dr.John T Abraham, HoD, Department of Computer Science and vote of thanks by Ms.Ayswarya, II year Student. The event featured Anandu Krishnan as the resource person, who delivered an insightful talk on User Interface (UI) and User Experience (UX) design. Anandu Krishnan's session on UI/UX design provided a valuable and

interactive learning experience for the 34 participants. The talk covered essential principles, real-world case studies, and industry trends, contributing to the participants' understanding and application of UI/UX concepts. The event successfully fostered collaboration and knowledge-sharing in this dynamic field. Following the presentation, an engaging Q&A session allowed participants to interact with Anandu directly. Attendees sought clarification on specific design challenges, industry trends, and practical tips for enhancing their own UI/UX skills..

Organizers: Department of Computer Science, Bharata Mata College, in Association with Arrow Wings Academy, Ernakulam

Overview: The Career Orientation Programme held at the College Auditorium of Bharata Mata College on February 26, 2024, was a resounding success. Organized by the Department of Computer Science in collaboration with Arrow Wings Academy, Ernakulam, the event aimed to provide students with insights into various career opportunities .

- Welcome Speech: The programme commenced with a warm welcome by Dr. John T Abraham, Head of the Department of Computer Science.
- Keynote Address: Esteemed speakers from Arrow Wings Academy delivered insightful talks on emerging trends, career paths, and

skill sets required in the industry. They provided valuable guidance to the students, shedding light on the diverse opportunities available in the fields.

- **Interactive Sessions:** The event featured interactive sessions where students had the opportunity to engage with industry experts, asking questions and seeking advice on career-related queries. These sessions fostered a dynamic exchange of ideas and provided students with practical insights into the industry landscape.

- **Vote of Thanks:** Abhina, an Integrated MSc student, expressed gratitude on behalf of the organizing committee to all the speakers, participants for their contributions towards making the event a success. She highlighted the importance of such initiatives in shaping the career aspirations of students and extended best wishes to all attendees.

Conclusion: The Career Orientation Programme at Bharata Mata College served as a platform for students to gain valuable insights and explore diverse career opportunities. Through informative sessions and interactive discussions, students were equipped with the knowledge and guidance necessary to make informed decisions about their future career paths. The event underscored the commitment of the college and its partners towards nurturing talent and preparing students for success in the dynamic industry.

Research Orientation Workshop

English

Date : 06/03/2024

Number of Participants 50

On March 6, 2024, the Research Centre and Postgraduate Department of English hosted a one-day Research Orientation Workshop which aimed to familiarize students with research methodologies and to aid in the writing of B.A. and M.A. theses. Dr. Aravind R. Nair, Assistant Professor in English at Sacred Hearts College, Thevara, served as the resource person for the workshop. He commenced the session by methodically exploring the fundamentals of research. Subsequently, he reviewed individual student projects, assisting them in identifying, evaluating, and analyzing research issues. His aim was to enlighten and mentor students from the III BA, I MA, II MA levels and as well as research scholars in viewing research as a professional endeavor. Post the orientation program, discussions with participants revealed that the workshop was impactful, providing them with the motivation to approach their project/thesis writing with renewed vigor. Most significantly, it helped dispel their apprehensions about generating and articulating ideas in writing.

Computer Science
Date: 13/02/2024

The Computer Science Department of Bharata Mata College celebrated its Association Day, 'Muthugau,' on February 13th, 2024, marking a significant occasion for students and faculty alike. The event was a vibrant showcase of academic achievement, camaraderie, and cultural celebration.

The day commenced with a heartfelt welcome speech delivered by Dr. John T Abraham, the esteemed Head of the Computer Science Department. His words set a tone of warmth and anticipation for the events that would unfold throughout the day. Following his address, Dr. Johnson K M, the Principal of Bharata Mata College, graced the gathering with a residential speech, emphasizing the importance of such gatherings in fostering a sense of community and collaboration among students.

The official inauguration of 'Muthugau' was carried out by the esteemed Chief Guest, Paul Emil Johnson, a distinguished Principal Product Designer. His presence added prestige to the event, and his insights were eagerly awaited by all attendees. Uthara then took the stage to

present the annual report of the association, providing a comprehensive overview of its achievements and contributions.

A highlight of the proceedings was the inauguration of the latest edition of the Computer Science Department's magazine, 'Hackstats', showcasing student accomplishments and research initiatives.

The valedictory session, led by Ninitha Mary, a respected faculty member of the Computer Science Department. Recognition was given to students through the distribution of prizes, acknowledging their outstanding achievements.

Chief Guest Paul Emil Johnson delivered an engaging session on the topic "Startup, Standup," providing valuable insights into the entrepreneurial landscape and inspiring students to pursue innovative ventures. His words resonated with the audience, igniting a sense of ambition and possibility among the attendees. The official part of the event wrapped up with Niyala expressing her gratitude through the vote of thanks.

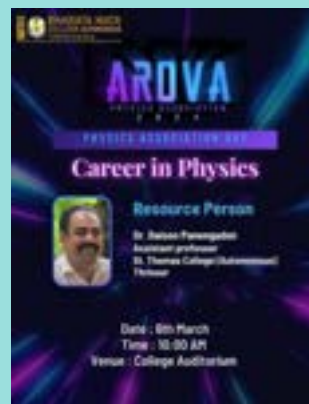

The festivities continued into the afternoon with cultural programs featuring dance, songs, and games. This segment provided a platform for students to showcase their talents and creativity, adding a vibrant and celebratory atmosphere to the occasion. Anupama delivered a heartfelt vote of thanks, expressing gratitude to all who contributed to the success of the event and making the cultural segment memorable.

Physics
Date: 6/3/2024

Association Day marked the culmination of an eventful academic year, serving as a fitting finale to a series of programs that enriched the educational experience of students. The Department of Physics at Bharata Mata College conducted its Association Day, AROVA, on the 6th of March 2024. The guest of honor for the program was Dr. Jaison Panengaden, Assistant Professor in the Department of Physics at St. Thomas College, Thrissur. The program commenced with a prayer song by Jaayra Anna Rajeev, a first-year student from Model 2. The gathering was welcomed by

the head of the department, Dr. Shibi Thomas, and the presidential address was delivered by our beloved principal, Dr. K.M. Johnson. The Association Day programs were inaugurated by the chief guest, who lit the lamp and delivered a wonderful talk on "Career Opportunities in Physics." The students engaged interactively with the talk and enjoyed the insights shared. The department's activities over the academic year were presented by the association secretary, Fidha Fathima KH. Recognition in the form of awards was given to outstanding individuals who excelled in various fields including arts, sports, and other intercollege fests by the chief guest and the principal.

The release of our magazine, IZEL, was done by our chief guest and principal. The department magazine showcases the creativity, talent, and hard work of the students, reflecting the highlights of the academic year. The official program concluded with a vote of thanks presented by Theras Yeleana, a first-year student from Model 1. The day also marked a bittersweet moment as we bid farewell to our seniors. A cake-cutting ceremony was held. Our Manager, Fr. Abraham Oliapurathu, the principal, teachers, non-teaching staff, and all the students participated in this event. The students showcased their various talents, with dance performances from each class. The day served as a memorable conclusion to a successful academic year, wrapping up the academic year 2023-2024.
