ANNUAL REPORT 2022-2023

DEPARTMENT OF COMPUTER APPLICATION

Department at a Glance

The programme B.Com Computer Applications [Model – I], was started under the CBCSS Scheme of the M G University in the year 2012 with a strength of 37 students and two teachers. An additional batch was sanctioned by the university in 2013 with strength of 34 students. At present the programme has student strength of 361 students with 9 teachers.

Now we have two batches CA Batch I and CA Batch II. Batch I has class strength of 180 students. Batch II has class strength of 181 students. Now the department has 8 commerce teachers, 1 computer teachers and 1 language teacher. B.Com Computer Applications is an Undergraduate Commerce degree with a specialization in Computer.

The uniqueness of the department is to have a rapport with the recent technological updates and its effects in the commerce industry. The students of the Department actively take part in different interdepartmental and intercollegiate competitions and have won several prizes and awards.

Department vision

To be globally recognised as a centre of excellence in the field of computer applications, business studies, commerce, accountancy and economics through value based education, research & innovation. To provide the best possible human resources to the society in the areas of Information Technology, Management, Commerce and Economics

Department mission

- To inspire and empower the students to become innovative IT professionals and entrepreneurs along with worthy commerce professionals
- To turn individuals into cross functional leaders and strategists that can skill fully handle challenges affecting business transversely in a dynamic and an interconnected world
- Develop linkages with world class educational institutions and R & D organisations for excellence in teaching, research and consultancy services

Programmes Offered

Programme	Name / specialisation
UG	B.Com Computer Applications (Model 1)
Certificate/ Add on	Computerised Accounting (Keltron)

Faculty Profile

Dr. Somasekharan T.M

HoD & Assistant professor

Qualification: MA, M.Phil, MBA, B.Ed, PGDCA,
PGDIBO, PhD (M.Com)

Joining Year: 2018

Raji Rapheal

Assistant Professor

Qualification: M.com B.Ed

Joining Year: 2012

Baby Reena

Assistant Professor

Qualification: MA, B.Ed, SET

Joining Year: 2004

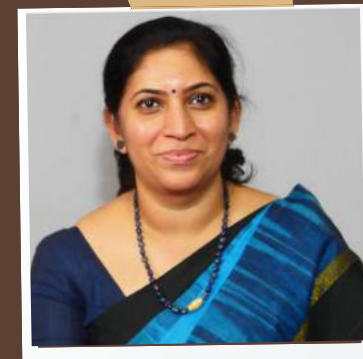

Binu Joseph

Assistant Professor

Qualification: M.Com, MBA, B.Ed(P.hD)

Joining Year: 2020

Faculty Profile

Seenja Joseph

Assistant Professor

Qualification: MCA(P.hD)

Joining Year: 2018

Anjana CA

Assistant Professor

Qualification: MBA, M.Com, Mphil

Joining Year: 2018

Dr. Ratheesh KR

Assistant Professor

Qualification: M.Com, MBA, PhD, HDNC

Joining Year: 2020

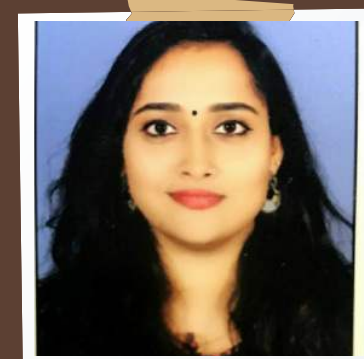

Dr. Veena M

Assistant Professor

Qualification: M.Com, NET, NPTEL, Ph.D

Joining Year: 2022

Neethu S

Assistant Professor

Qualification:MA, Mphil, NET(P.hD)

Joining Year: 2020

Athira Murali

Assistant Professor

Qualification:M.Com NET

Joining Year: 2020

Reshmi V Suresh

Assistant Professor

Qualification: M.Com, MPhil, NET, (Ph.D)

Joining Year: 2022

Student Profile Batch wise

Class	Batch (eg.2021-24)	Male	Female
UG – 1st Year, Batch 1	2022-2025	35	24
UG – 1st Year, Batch 2	2022-2025	40	20
UG – 2nd Year, Batch 1	2021-2024	38	19
UG – 2nd Year, Batch 2	2021-2024	46	12
UG – 3rd Year, Batch 1	2020-2023	44	13
UG – 3rd Year, Batch 2	2020-2023	41	16

International Seminar on Finance and Technology

- Date and Time** : 25 and 26 October 2022
- Coordinator** : Dr. Ratheesh K R, Dr.Somasekharan TM
- Resource Person/s** :1. Mr Michal Lee ,Head of Global development,
International Skill Development Corporation ,UK
2. Dr Jijo Lukose P J, Professor IIM Kozhikode
3. Dr.Sabu M K, Professor, MCA, CUSAT
4. Dr. Ratheesh K R Department of Commerce (Computer Applications) Bharata Mata College,

Number of Participants : 126

Bharata Mata College (Research Committee, Department of Computer Applications and Computer Science)in association with Department of Student Services, Mahatma Gandhi University organized an International seminar on 'Finance and Technology' on 25th and 26th October 2022 to help students to learn about the financial management, technology, practical side of research and how they shall utilize the academic projects, dissertations and research in a practical way to achieve their career goals. There were 126 registrations for the seminar which include degree students, post graduate students, researchers and faculty members of different colleges from various parts of India including Annamalai University, Rajagiri College, V.O.Chidambaram College, Thoothukudi, ST. Teresas College (AUTONOMOUS),Farook College (AUTONOMOUS), Kozhikode, AMET University, Maharaja Agrasen Himalayan Garhwal University, Fatima Mata National College, Kollam and Karpagam Academy of Higher Education.

Shri Abraham K Samuel, Director of Student services inaugurated the programme. Dr. Johnson K M, Principal gave the keynote address. Mr Michal Lee ,Head of Global development, International Skill Development corporation ,UK took the first session about sustainable and techno oriented education and development. He also shared various thoughts and experience on international projects, which was very interesting and informative for the audience. Dr Jijo Lukose P J, Professor IIM Kozhikode took the second session about the Financial

Technology and Trading. In the Second Day, Dr.Sabu M K, Professor, MCA, CUSAT took session about the emerging topic Explainable Artificial Intelligence. After that, Dr. Ratheesh K R of Bharata Mata College, Department of Commerce and Computer Applications took the session about the Financial Technology.

There were 12 paper presentations from the students and faculties of various colleges. Dr Jijo Lukose P J , Professor IIM Kozhikode monitored and chaired for the presentations on the 1st Day. Dr Sajoy P , Department of Commerce, SH College , Thevera was on Chair for the second day. The programme was very effective that it could provide information to all the participants about various innovations and developments in the area of finance and technology.

Day Observations

World Environment Day

Date and Time : June 6th 2022 , 11.30am-12.30pm

Coordinator : Dr.Somasekharan TM, Dr. Ratheesh K R and
Ms. Bindu Joseph

Resource Person/s : Nil, Coordinated by Final Year Students

Number of Participants : 230

As part of the World Environment Day, presentations were held to enhance the awareness on conservation of environment by Second year and final year Students of the Department on June 6th 2022 from 11.30am-12.30pm. Final year students- Akash Shine, Sidharth S Kumar, Thahseen Rasheed and Anagha Sudhan jointly put their efforts for the presentation on the topic on Environment Day and various Environmental challenges. Second year students- Tarun Gopalakrishnan, Avlin P S, Anupama K S and Ceeya Shyle came forward with the topic 'E Waste Management'. Dr. Somasekharan TM, Dr. Ratheesh K R and Ms. Bindu Joseph were the coordinators of the programme.

Onam celebration 2022

Onam celebration of Commerce (Computer Applications) of Bharat Mata College was held on 2nd September 2022 by 9.30 am in the campus. The celebrations kick started with a Pookalam (Floral decoration) competition held in the classrooms. The classrooms were blessed with the presence of Mahabali Chakravarthi, who was extended a warm welcome by the students with Chenda melam and thalappoli. Post the pookalam competition, the students gathered in the college ground to conduct various games and competitions related to Onam such as uriyadi, lemon and spoon race, musical chair, tug of war between second and final year students. Besides the students bagged several prizes in the competition. Students representing each batch performed energetic group dances and songs both group and solo. Thereafter students gathered in the department to experience the traditional lip-smacking Onam sadya which included around 15 dishes and 2 varieties of payasams which brought the Onam celebration 2022 to an ideal close.

Industrial Visit Report - 2022

An Industrial Visit was organized for the final year students of B.Com Computer Applications to Wagamon on 17th August 2022. 108 students and 5 teachers participated for the programme.

The students got an experience about the tea manufacturing and distribution system. The company officials discussed about the marketing activities and the pricing of the products. The team started at 6.00AM from the Campus and returned at 11.00 PM on 17th.

The industrial visit gave an opportunity to the students as well as faculty members to know more about the functioning of the factory including the functional hierarchy, sophistication with regards to technology etc. Industrial visit also an opportunity for the students to socialize with one of another and it was a rejuvenating experience for all in post pandemic era.

Different types of machines available for processing and packing the tea products. Later the students visited Parumthumpara - one of the major eco-tourism destinations near Wagamon with the faculty members. This helped them to learn about the ecotourism initiatives by the government and private players.

Counselling session by Ms. Sissy Sasidharan

The Counseling Cell in association with Department of Computer Application conducted a session for final year Computer Application students on 27 June 2022 from 1.30pm-3.30pm on the topic “ Emotional Well being: Learn the power to say NO” in the MBA seminar Hall. The session was handled by Ms. Sissy Sasidharan, Counselling Psychologist, Bharata Mata College Thrikkakara. The session was an eye opener and the interactive session enabled the students to speak up and share their feelings and experiences. Ms. Sissy Sasidharan was the Coordinator of the programme.

Placement Orientation by Mr. Saravanakumar

The Placement Cell of Bharata Mata College Thrikkakara conducted an Orientation session for final year students of the Department of Computer Applications on 28 June 2022. The session was handled by Mr. Saravanakumar and Dr. Jinsa Mary Jacob (Faculty and one of the coordinators of Placement Cell). A basic overview of the placement cell and the support they extend to the students was explained to the students. Importance of Campus placements and the eligibility/criteria to be fulfilled was also explained in detail. The students were given opportunity to clarify their doubts/ queries regarding placement.

Extension activities

Dress Bank

Date and Time : 03/04/2023

Coordinator : Bindu Joseph, Dr. Somasekharan T M, Dr. Ratheesh K R

Number of Students : 250

Department of Computer Applications

As part of department outreach activities ,we have organized 'Dress Bank'- New/used dress items collected from the students of various departments and donated to an NGO Named Goongch, Edappally on April 03 2023.

Bridge course

Bridge course was conducted for the first year students for the academic year 2022– 2023 based on the subject Financial Accounting. A syllabus was formulated which included four modules namely Introduction to Accounting, theory base of accounting, recording of transactions and financial statements. 15 students including both the batches attended the bridge course classes conducted by Ms. Anjana C A.

Entry Level Examination

Batch I	
Category	No of Students
Advanced Learners	10
Average Learners	34
Slow Learners	8
Total	52

Entry Level Test for the first year 2022-2025 batch of the Department of Computer Applications was held on November 2022 at 10.30 am to analyse the academic performance of students. Students are asked to answer a question paper of 50 marks which includes various general and subject based questions such as English, business management, banking and accounting. All students attended the exam. Based on their marks, these students were categorized into slow learners, average learners and advanced learners.

Advanced learner - 10

Average learners - 34

Slow learners –8

Mentoring Report

The Department of Computer Applications follows the mentoring system initiated by mentoring Cell. The students are grouped and assigned a mentor teacher who is responsible for collecting academic performance and class attendance of individual students. The mentor regularly meets with mentees and is given necessary information regarding his/her mentees and is expected to offer guidance and counselling as and when required. In isolated cases, parents are called for special meetings with the Principal at the suggestion of the mentor. The result of the system has been implemented significant improvement in the teacher-student relationship. The system has been useful in identifying slow learners and advanced learners. The department organizes a remedial class on different subjects within the syllabus for poor/slow learners.

Addon / Certificate courses (2021-22)

Course name: Computerized Accounting

Objective: To help students to be familiar with the industry used accounting package-Tally and the application of GST

Course coordinator: Dr. Ratheesh K R

The Computerized Accounting course covers the main features and components of Tally. It teaches the students to maintain accounts with and without inventory. Tally helps in maintaining accounts. Students are familiarized with the statutory features of Tally like GST, TDS, FBT, and Service Tax. Students are also familiarized with the Point of Sale and Payroll features of Tally. The programme also introduces the students the Basic of Accounts and the usage of Tally for accounting purpose.

The programme is scheduled for 40 hours including practical sessions. Successfully completed students will get certificate from Keltron which helps them to get good placement with good accounting/finance companies

1	26/1/23	Basil Saju	Opinion about BMC
2	26/1/23	Hrishikesh Nair	Opinion about BMC
3	26/1/23	Aiswarya A vettathu	Opinion about BMC

Alumni Meetings brief Report: An Alumni Meet of 2019-2022 was held on 26 January 2023, at 10.00am. The students shared their nostalgic experiences of their college days and cherished their loving memories. The programme wound up at 11.30am. The Alumni Meet started with a welcome address by Dr. Somasekharan T M, HOD of Department of B.Com Computer Applications. Dr. Ratheesh KR and Bindu Joseph were the coordinators of the programme

PTA of the department helps both parents and teachers to involve and discuss and solve any particular academic and non-academic difficulties they are facing. The main aim of conducting PTA meeting to improve the learning environment for students, ensuring that they learn to as higher standard as possible. Teachers where frequently connected with the parents through phone they were regularly updated about their wards progress. Apart from

Open House Meetings		
1st year Batch 2022-25	18/11/2022, 9.30am-12.30pm Second Year B.Com(Batch I and II)	17/12/2021 29/11/2021
2nd year Batch 2021-24	09/12/2022, 9.30am 12.30pm 15/12/2021, 9.30 am	03/01/2022

The Offline parent meetings were conducted in a very systematic way with two sessions. In the first sessions a PTA general body meeting was conducted in the college auditorium for all the concerned classes and thereafter in the second session parents came to the department to meet the faculties of the department. Parents actively participated in discussions for the betterment of the student community. Parents were informed about the internal marks, details of university marks and activities conducted in the department. 62 parents of second years,75 of first year participated in the open house. On all the dates, the parents meeting concluded by 12.30 pm

Teaching Learning Innovative practices in the department

Teaching and learning innovative practices are introduced to raise the curiosity of a student. The following innovative practices are undertaken by the faculty members of Commerce department for improving teaching and learning experience

Innovative Practices	Outcome
Lecture method	Hands on experience, Peer-to- peer Learning Experiential learning, Collaborative Learning Audio-Visual presentations through LCD and Virtual classrooms
Interdisciplinary Lectures	Aware students with the latest relevant technologies in different computing fields.
Major/Mini Projects	Prepare students to develop live projects on their own.
Student Seminars	Motivating students for self-Study and Group Study.
Course Assignments	Encourage student collaboration through supplement learning
Communication Skills	Improve the presentation and speaking skills in group discussion as well as in interviews faced.
Seminars/ Webinars/ workshops	Engages students by using real-world challenges, problems, and scenarios to evoke critical thinking, problem-solving, collaboration, and self-management
Online Tutorial	Enhance the overall comprehension of students in a more dynamic way
Virtual Lab	Exposure of Programming & Lab practices
NPTEL Lectures	Promote self-learning and to share knowledge among students
Any Such Innovative techniques you feel to add in can be included
