Results and Action Taken

According to the suggestions made by the college council, in view of the covid pandemic, the first internal examination for semester five and semester three were conducted in the online mode. Viva-voice was also conducted as a tool for proper assessment as these exams were in online mode.

Based on the examination results the committee suggested to the departments to inform the result to concerned parents, and call for parents meeting and take necessary steps to improve the results of the students, especially those who are weak in a particular subject.

The Cell also suggested enriching the mentoring system to understand the difficulty of the students, suggest suitable remedies and thereby improve their performance.

All completed internals marks have been included in the portal so that students shall see their marks and assess themselves.

The soft copies of the completed internals question papers are collected and kept in drive for future reference.

Details of Examinations are recorded in minute's book.
