

Annual Report of Divyangjan Cell 2021-22

In the academic year 2021-22, we conducted 3 meetings with the students.

The first meeting was held on July 12th via Google Meet because of the pandemic situation of Corona. In this meeting, Muhamed Yaseen (2nd B Com.) and Angel K Ajay (3rd B Com.) are selected as the representatives of this cell for this year. Also discussed the difficulties faced in Online classes and shared a link to register the final year students for various job opportunities. Some of the registered students got an Online data entry job and they work from home until their university examinations.

The second meeting was held on December 9th, after the completion of 1st year U G admission. In this meeting we gave a warm welcome to the newbies of this year. The representatives explain the activities of this cell to the newbies. The students introduced themselves and shared their experience in the college. Also arranged a motivational talk for the students by the college counsellor Sisy Sasidharan.

The third meeting was conducted on March 25th. We discussed the activities done by the cell in this academic year and took feedback from the students about the functions of the cell.

Major Actions Done:

- Arranged scribes for three 2nd year students for writing university examinations
- Shared link to register the final year / degree completed students for various job opportunities in different companies.
